DR. FOORD'S

PECTORAL SYRUP,

FOR THE CURE OF

Common Colds, Coughs, Hoarseness, Bronchitis, Whooping-Cough, Asthma, Croup, and all other diseases of the Lungs and Throat.

This Syrup immediately quiets a Cough, removes soreness, loosens phlegm, relieves fever, and heals and strengthens the lungs.

BRIEF TESTIMONY.

Dr. Foord—Dear Sir—In the Spring of 1847 my wife was apparently in the last stages of consumption. She had been sick several months and been treated by Allopathic and Homœopathic Physicians, and by a German Doctor in this place, until she was declared incurable. At this time she had a constant Cough attended with fever and swelling of the lower limbs—and was unable to walk, or even to sit up more than a few minutes at a time. These with other symptoms usually attending consumptive cases, had become so firmly established, as to render her recovery entirely hopeless.

In this state of her case, Col. B. F. Bruce of Lenox advised me to try your Pectoral Syrup, saying that he had used it in his family for several years with great success in all diseases of the Lungs and Throat. My wife commenced the use of the Syrup, and for a short time she thought it injurious—but soon found that it was decidedly beneficial. She continued the use of it, and from that time forth she improved, and joy they [illegible] to improve until she was entirely and perfectly restored to health and strength. [illegible] no other medicine during the time she [illegible] your Pectoral Syrup, and I am positive it was that which saved my wife's life. I have not been without your Syrup in my house since that time.

Respectfully yours,
PETER B. MOONEY.

MARRIAGE,
HAPPINESS AND COMPETENCE.

WHY IS IT?

That we behold many females, scarce in the meridian of life, broken in health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits and happy serenity of mind, arising from a condition of health should be predominant.

Many of the causes of her sufferings at first—perhaps years before—perhaps during girlhood or the first years of marriage—were in their origin so light as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefited by our knowledge, we look back and mourn and regret the fall consequences of our ignorance.

What would we not often give to possess, in early life the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily [illegible]

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

and to her husband the constant toil and anxiety of mind necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands.

In view of such consequences, no wife or mother is excusable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled

GREAT REMEDY!

SLOAN'S

Celebrated Family Ointment.

It is Mild, Safe, Thorough and the greatest External Remedy ever used. It is composed of Vegetable Extracts and the purest gums, unequaled in the country. Medicine for the cure of Inflammatory Diseases.

It is universally acknowledged to be an infallible remedy in every case where it has been fairly applied on the human system, for promoting Insensible Perspiration, and is inevitable in all Diseases of the Flesh. Obstinate Ulcers, Old Sores, Chilblains, Sore Throats, Burns, Cuts, Cutaneous Eruptions, Sore Nipples, Sore Breasts, Diseases of the Eye, Ague in the Face, Rheumatic Pains, Contracted Cords, Pain in the Side, Back and other parts of the system, Scald Head, Bruises, Fresh Wounds, Piles, and every kind of sore containing the least particle of inflammation, are permanently cured by this great remedy.

HEALING VIRTUES.

It is a *fact*, a universal *fact*, as well as all over the state, and indeed the whole western states, that Sloan's Medicines have attained a wide spread celebrity, and reputation, to which they are justly entitled by their healing virtues and powers. We are aware that those who are prone to endorse every patent humbug that comes along, and in this instance have delayed our endorsement until we have been able to make assurance doubly sure, not only by testing them personally ourselves, but from the testimony of a numerous portion of the community being cured [illegible] Globe, April 13, 1852.

DR. G. C. VAUGHN'S
VEGETABLE LITHONTRIPTIC MIXTURE.

This celebrated remedy is constantly increasing its fame by the many cures it is making

ALL OVER THE WORLD.

It has now become *the only medicine for family use*, and is particularly recommended for

DROPSY:

All stages of this complaint immediately relieved, no matter of how long standing. See Pamphlet for Testimony. The disease is as frightful as Cholera, and the new and dreadful process of the malady, bloating the system to a degree which renders the patient utterly unable to move, forms one of its most distressing features.

HITHERTO INCURABLE.

It now yields to this remedy—and Physicians say it publicly and privately with perfect success. (Let any one who has ever had a symptom of Dropsy, of any character keep this article by them, and, if they would avoid the disaster.)

APPLICATION OF THE KNIFE,

to puncture the system and let the accumulated water flow off, only to fill up again, and finally to end in a dreadful death, let them use the remedy in season, and a recovery is sure. Let them try it at any stage of this disease, and we believe they will give it a fair trial.

GRAVEL,

[illegible] of the urinary organs; for these distressing complaints, it stands alone; no other article can relieve you, and the cures certified to will convince the most skeptical;—See pamphlet.

DEBILITY OF THE SYSTEM,

weak back, weakness of the Kidneys, &c., or inflammation of same, is immediately relieved by a few days' use of this medicine, and a cure is always a result of its use. It stands as

A CERTAIN REMEDY

for such complaints, and also for derangements of the female frame.

IRREGULARITIES, SUPPRESSIONS,

painful menstruations. No article has ever been offered except this, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy, and did we feel permitted to do so, could give

A THOUSAND NAMES

as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

The different properties which compose this article, more fully [illegible] particularly in the application of the same [illegible] class of complaints [illegible] this paragraph. For [illegible] Gonorrhea.

FEVER AND AGUE.

In the Great West especially, and wherever these are found prevail, this medicine is offered.

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. It is made of roots alone, and is purely a Vegetable Preparation, and has nothing in its composition which can in the least degree injure under any circumstances whatever. Numerous certificates of the highest respectability are published in the pamphlet, which are distributed gratuitously.

PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED,

and a cure follows by a few days use of this article; it is far before any other preparation for this disease, or for any other disease originating from impure blood. See pamphlet.

ERUPTIVE DISEASES

will find the alterative properties of this article

PURIFY THE BLOOD,

and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here. Agents give them away; they contain 32 pages of certificates of high character and a stronger

ARRAY OF PROOF

of the virtues of a medicine, never appeared. It is one of the peculiar features of this article that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid

HOPE ON,

and keep taking the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC

against a number of articles which come out under the head of SARSAPARILLAS, SYRUPS, &c.,
as cures for Dropsy, Gravel, &c. They are good for nothing and concocted to gull the unwary;

TOUCH THEM NOT.

Their inventors never thought of curing such diseases till this article had done it. A particular study of the pamphlet is earnestly solicited.

Agents and all who sell the article are

GLAD TO CIRCULATE

gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. do., at $1 each—the larger holding 6 oz. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. S. FOSGATE'S ANODYNE CORDIAL,

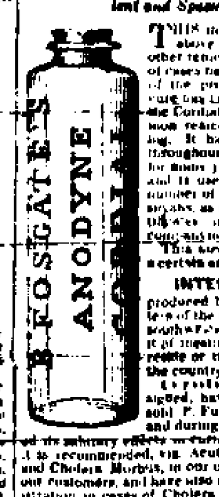
A safe and effectual remedy for the

SUMMER COMPLAINTS,

Viz.: Diarrhœa and Cholera Morbus—also, Flatulent and Spasmodic Colics.



THIS invaluable Medicine for the above complaints, surpasses any other remedy now in use. Hundreds of cases have come to the knowledge of the proprietor, where a speedy cure has been effected by the use of the Cordial after a resort to the common remedies had proved unavailing. It has been extensively used throughout this State and elsewhere for many years—has been approved, and is used to practice by a great number of the most respectable physicians, as may be seen by their certificates and recommendations accompanying each bottle.

This medicine is discovered to be a certain and effectual remedy for the

INTESTINE DISEASES

produced by the drinking of the waters of the rivers in the southern and southwestern states, which renders it of inestimable value to those who reside or travel in those sections of the country.

CERTIFICATE.—We, the undersigned, have for several years past sold F. Fosgate's Anodyne Cordial, and during this [illegible] have witnessed its salutary effects in curing the diseases for which it is recommended, viz. Acute and Chronic Diarrhœa and Cholera Morbus, in our own, or in the families of our customers, and have also seen its successful administration in cases of Cholera Infantum. We do therefore confidently recommend it to all those who may be afflicted with those distressing and dangerous complaints, as offering one of the best means for their cure or relief.

Notice Particularly, this article acts with great healing power and certainty, upon the

Blood, Liver, Kidneys, Lungs,

OVERWHELMING TESTIMONIES!

OVER HALF A MILLION OF TESTIMONIALS have been received by the Proprietor of

McALISTER'S ALL-HEALING OINTMENT from Physicians of the most skillful and celebrated, from Counsellors learned in the Law, from Judges of celebrity on the Bench, from Ministers of the Gospel, whose undeviating integrity have made them shining lights in the path of Truth, from [illegible] Professors, from acute Merchants, and from those of every station, name and degree among mankind—all of which, without one dissenting objection, pronounce this Ointment to be GOOD.

As day by day it continues to extend its sphere of action along the borders of our vast country, and is circulated throughout its extent, so evidences of its power and new proofs of its efficacy are continually developed. Three trillion Boxes, applied to disease within the last ten years, has established the astounding fact beyond power of cavil or contradiction, that it is INFALLIBLE in the cure of all Tumors, Ulcers, Burns, Tetter, Piles, Scrofula, Erysipelas, Chilblains, Scald Head, Sore Eyes, Quinsy, Croup, Rheumatism, Broken Breast, Ague in the Face, Corns, &c. It completely restores the INSENSIBLE PERSPIRATION, and by this means opens the avenues by which Nature intended to expel morbid matter of the body—thus is the system cleansed, the blood purified, and the health is restored.

It has the power to cause all external Sores, Scrofulous Humors, Skin Diseases, and Poisonous Wounds, to discharge their putrid matter, and then heal them. We are not ashamed of the virtues of

All-Healing Ointment!

Or the

World's Salve!

which a discerning public has applied to this medicine; for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of The Chest, Consumption, and Liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit when the patient was within the reach of mortal means.

Commentators, Historiographers, critics, travellers, and Biblical writers of the greatest note, have been extensively and carefully consulted in preparing this work. This Editor trusts it will be found worthy of the patronage of Christian pastors, instructors, and parents, of all denominations, and well calculated, under the Divine blessing, to enlighten the understanding, purify the heart, and promote true happiness by which we may obtain happiness in this world, and eternal salvation in that which is to come.

From the Editor of the United States Literary Advertiser.—The most splendid Gift-book of the season, and the cheapest and most useful work ever issued on either side of the Atlantic, is SEARS' "New and Complete History of the Bible," deduced from the labors of the most renowned Biblical scholars of all countries, incorporated with numerous original and various embellishments, engraved by the first artists, which has just made its appearance. This [illegible] ing and valuable volume. Evidently no pains or cost have been spared to render it such. And when it is remembered that it is the production of the well-known editor of the "Bible Biography," and other pictorial works, which have had such an extraordinary popularity, we feel assured that the most sanguine anticipations of the Christian public will not fall of being realized. From what we have seen of it, we predict this work will be pronounced at once the most useful and splendid of all Mr. Sears' pictorial publications. Literature, profane and sacred, has been combined with the aid of several hundred elegant embellishments to produce a work eminently adapted as a FAMILY BOOK of the very best order, while we consider it also one of the cheapest ever presented to American patronage. Of the descriptive and explanatory letter-press, it is enough to say that the records of ancient history, and the researches of the best theologians, have been put in requisition for the elucidation of scripture difficulties, and the illustration of obsolete customs, manners, &c.; and the fault will be with the public if such a book fails of unexampled success.

HOPE FOR THE AFFLICTED.

This preparation has been before the public for the last seventeen years, has stood the test in competition with all other medicines, performed cures unparalleled in the annals of history and the number of letters daily received from the afflicted from different parts of the country of its transcendent power to heal, proves it without *any kind of doubt*, one of the greatest discoveries in medicine ever made, and a blessing to humanity. And our only desire is that it may have a range as universal as it is competent to arrest the whole army of diseases with which humanity is afflicted; we shall then be content, because we shall be sure that its benefits are wide spread, and that the family of man is receiving a benefit, and enjoying a blessing, to which it had been hitherto a stranger, and in that belief our philanthropy will be gratified, and happiness complete. It can be taken by the aged and the infant with equal efficacy; is a sure, positive, and permanent cure for Consumption, Scrofula or King's Evil, Erysipelas, Salt Rheum, Pimples on the Face, Chronic, Acute and Inflammatory Rheumatism, Gout, General Debility, Dyspepsia, Nervous Headache, Liver Complaints, Spinal Affections, Female Complaints, Ulcers, Siphilis in its worst form, Affection of the Bladder and Kidneys, Bilious Cholic and serious Looseness, Piles, Costiveness, Colds, Coughs, Corrupt Humors, Asthma, Dropsy, Enlargement of the Bones, Fever and Ague, Giddiness, Gravel, Headaches of every kind, Inward Fevers, Impure Blood, Jaundice, Loss of Appetite, Mercurial Diseases, Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Neuralgia, Organic Affections, Palpitation of the Heart, Rush of Blood to the Head, Pains in the Head, Side, Chest, Back, Limbs, Joints, and Organs, Scurvy, Stiffness of the Joints, Exposure and Imprudence of Life. This Panacea extracts nervous diseases from the system, cleanses the blood, and invigorates the body more effectually than any article. In the vegetable kingdom an All Wise Being has deposited such plants and herbs, as are congenial to our constitutions, and adapted to the cure of all curable diseases to which human nature is incident. This Compound Syrup is composed of all those valuable plants which have been discovered and used and found to be certain specifics in thousands of diseases that before defied the best of medical skill.

THIS PANACEA COMPOSES

A FAMILY MEDICINE.

Persons who follow the Sea are particularly recommended to this Medicine.

This Panacea may be taken in all bilious attacks, and, in fact, in all bilious fevers, which arise from too copious a secretion of bile.

As regards the Dyspepsia, I can say with confidence, and challenge the world to produce a medicine equal to its powers to restore the tone of the stomach, and effectually cleanse it and the intestines from all offensive and irritating matter—more so than any medicine known, and will not debilitate them; on the contrary the appetite [illegible] will be improved. There is no danger in taking [illegible] [illegible] in water for drink which you will find very pleasant and beneficial to the constitution [illegible] your diet not agree with you, take of the medicine and it will relieve you of all unpleasant feelings, and will assist your stomach in all its digestive powers.

This medicine has a powerful effect in Spring and Fall purifier, in those whose constitutions require renovation and new vigor; such persons would be much benefited by using two or three bottles which they be taken without regard to diet or diet. Many years are diseased for the want of their blood being purified. Thousands of persons are destroying their constitutions by neglecting to apply a proper remedy; to such the Panacea would be more than doubly valuable as certain and effectual means of restoring them to perfect health and vigor.

Every family should be supplied with Dr. Houck's Panacea, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Coughs, Colds, Soreness of Breast, Pain in the Side or Chest, Irritation and Soreness of the Lungs, Difficulty of Breathing, Night Sweats, Emaciation, and general Debility. It acts as an alterative, changing the morbid actions of the system, causing the liver and kidneys to healthy action, and will be found in diseases of those organs a valuable remedy. For palpitation of the heart, nervous tremors, and irritability of the system generally, it is equally efficacious, calming nervous excitement and allaying spasmodic action, and improves the secretions of the mucous membranes of the lungs, bronchia and throat, producing an easy expectoration, allays the cough, calms the nerves, heals the diseased lungs, and increases the strength of the patient.

READER,

Get a pamphlet and see the wonderful Cures made by "HOUCK'S PANACEA," and you will be satisfied of the great curative powers it possesses over all other remedies. It needs a single trial only to convince the most incredulous of its unparalleled excellence in curing most of the diseases with which humanity is afflicted. It does not enter into the comprehension of many how it were possible for a Botanic Medicine to perform such wonders in the healing art; but such are the facts, they cannot be denied. HOUCK & CO.
