being Finite I resign my Soul into the hands of Almighty God, hoping and believing in a resurrection of my dear by the merits & mediation of Jesus Christ, and my body I commit to the earth to be buried at the discretion of my executors, hereinafter mentioned, and my worldly estate I give and devise as follows, Viz:

First, I give and bequeath to my dear beloved, Sarah Ann of land, to be taken off from the West side of my farm joining lots to be described as follows, commencing at the north east corner of my farm, running southerly along the line of said lot to the south east corner thence westwardly on the southern line far enough to include seventy acres of land by running a line from the south to the north line of said farm parallel with the east line. Also to my daughter Sally Ann a lot of land joining my dear beloved, beginning at the north line of my farm running southerly along the line of the other southern division, down to the south line of my farm thence westwardly far enough to the line of said farm to include fifty acres of land by running a line from the south to the north line of my farm parallel with the west line of said lot. Also to my daughter Nancy another lot of land joining my daughter Sally, to be of the same length as Sally's & of the same width to contain twelve acres by running the east line parallel with the west line. The remainder of my farm I give to my three grand daughters that are now living with me Angelina & Eliza Ann & Rhe equally divided between the two.

Also I will and ordain that my Executors shall sell and dispose of the crop produced for sale and apply it to the paying any debts and funeral charges and if there shall not be enough personal property to pay them, then my will is that my executors pay the remainder of my debts in proportion. And I do hereby appoint my executors that such funds of money shall be willed to my dear wife and daughters Angelina & Eliza Ann, whom I hope will prove after paying the expenses of my debts and funeral charges (if there should be sufficient for that purpose, hopefully so) to apply the remainder for their support & benefit as they shall think proper. And I do hereby appoint my trusty friends Nathaniel Bloomer and Norman Shepherd, executors of this my last Will & Testament. In Witness whereof I have hereunto set my hand & seal this twenty third day of December in the year of our Lord one thousand eight hundred and thirty three
