Countries Honored At Buffet Dinner

Various countries will be represented in costume, decorations and foods when the annual International Night, Buffet Dinner will be held Wednesday, Oct. 27 from 5 to 7:30 p.m. at the Pleasant Ave. School.

Teachers have helped their classes select countries that will be represented in costume and decor, and parents are donating dishes from the countries their children have picked as well as favorite standard dishes.

Cafeteria workers will be on hand to make sure everything goes smoothly in the kitchen. The custodians will see that everyone has a table. The PTA board has worked together organizing. All have cooperated on the many plans for the evening.

Each of the work however falls to the homeroom mothers who call to ask for and coordinate the donations of food from the parents. They will also be represented at the dinner, serving food and helping in the kitchen. The PTA feels that these mothers deserve special recognition for the many services they perform during the year.
