Subway Dirt Will Start to Fly Here Soon
Board Indicates Private Property to Be Taken in Cranberry Street.
Vast Sums Involved
It will be forced to
Raze Many Buildings.

Support of the new tunnel will require that a number of buildings and public property be released. The Board of Transportation has already acquired a number of properties, and further releases will be made to be made by the city. Although it is conceded that the city will be paid a large sum for the property, the losses will be met by the city, and the loss will be made up by the construction of the tunnel.
