Looking north toward Bronx, this aerial view shows the Clearview expressway as it merges with the Throgs Neck Bridge. At lower left is Clearview Golf Course.

### Borough Ranks 4th in Manufacturing

When most people think of Queens, they picture one-and-two-family homes, parks and shopping centers. Yet, Queens is actually fourth among the state’s leading manufacturing centers and is highly among the 62 industrial metropolitan areas which have more than 500 employees.

### On Long Island

**Airports Boost Economy**

**By JOHN R. WILEY**

Airports, most thought of Long Island, over 15,400 people who earn approximately 200 million dollars in air mail.

### Queens

The next decade is going to be a busy one for Long Island, including 15,400 people who earn approximately 200 million dollars in air mail.

**The service department at Roosevelt Chevrolet is one of the most important aspects of the car business, providing the best possible service for the customer. The department is staffed by experienced mechanics and trained service managers.**

**By ROBERT A. PHILLIPS**

**Throgs Neck Bridge—Extended as "The Gateway to Long Island"—carries an ever increasing volume of traffic and is a link to the economic well-being of the area.**

**Aviation means a better life to many people, especially those who travel for business or pleasure.**

**To Begin in ’61**

**By ROBERT T. CLANCY**

1960 census reported, enough to match air transportation and services of hundreds of thousands of people who use the two air terminals after their flights.

**IN ADDITION, hundreds of thousands of people are expected to be attracted to the area by the construction of new highways and bridges.**

**TO COME DOWN**

**New Gateway to Long Island**

**By LEE TOWNSEND**

1,200 employees.
