The first Father Moreau presided over the session of the society and was flanked on both sides by the trustees of the society and the citizens of the town. The President, Mr. R. E. Bank, introduced the speaker of the meeting, Mr. J. E. W. Grove, who gave a detailed account of the proceedings of the society, including the recent addition of new members and the progress of the current projects. The President then adjourned the meeting, and the society adjourned to continue the proceedings at a later date.

The Trustees of the Village of Dobbs Ferry have been elected by the citizens to serve for the coming year. The election was held on the 20th of February, and the trustees were chosen by a vote of a majority of the citizens. The trustees are expected to work for the welfare of the town and to carry out the wishes of the citizens.

The Chinese Are Not Original In Medicine. The Chinese have been known for their medical practices since ancient times. They have developed a number of remedies that have been found to be effective in treating a variety of conditions. The Chinese have also developed a number of medical practices that are still in use today, such as acupuncture and herbal medicine.
