Sunken garden, visible from Fifth avenue.

Launched Fountain Will Dominate

Sunken gardens and expansive terraces are provided in the revised plans by the architects and engineers. There will be open to the public it is probable that admission charges will be levied for the high places. Much of the roof garden space undoubtedly will be reserved for a roof cafe on the site of the colloquium which will serve as a center of activity. Two elevators will be provided for the roof garden space.

A miniature of the Chateau of Versailles, yet high above, the garden spaces. The sunken plaza, together with the entrance to the proposed sixty-six-story office building, will be the largest theater in the world.
