U.N. Moves In Officially At 39-Story Headquarters

New York (AP) - The United Nations officially opened its new 39-story headquarters building today, a $360 million facility that will house the world's largest organization and its 193 member states.

The building, a symbol of international cooperation, was dedicated in a ceremony attended by Secretary General Trygve Lie and officials from the United States and other nations.

British Hint Break with Red China

London (AP) - Britain hinted today that it would break off diplomatic relations with Red China, as the United Nations General Assembly began its special session to consider the admission of Taiwan.

Britain, which is already in a state of crisis with its Far Eastern possessions, has been urged by India to break with Red China.

Pakistan Ends Boycott Of Parley

Rutland, England (AP) - Prime Minister Harold Macmillan announced today that Pakistan had ended its boycott of Parley, the international conference, which began today.

The news came as the United Nations General Assembly opened its special session to consider the admission of Taiwan.

Ritz Will Recall "The Red Shoes"

The Ritz will recall "The Red Shoes," an English ballet by M. F. C. and the London Symphony Orchestra, as part of its 30th anniversary season.

Europe Wary on U.S. Demand For Red China

London (AP) - Europe is wary of the United States' demand for the admission of Red China to the United Nations.

The United Nations General Assembly will consider the United States' demand for the admission of Red China to the United Nations.
