South End Project Budget OK

Albany's share of costs under redevelopment of 1.3 square miles in the Clinton Square urban renewal area will be $94,990 to redevelop South Ferry Street, estimated to cost $1.4 million. The project was approved by the federal Housing and Urban Development Department yesterday by the House Public Works Committee.

High school students in the Clinton High School will participate in the Clinton High School Band and the Clinton High School Chorus. The project is expected to be completed by the fall of 2008.

Andrew V. Clements, dean, Law School, and Henry Hoover, director of the School of Business, have been awarded a two-year $94,990 grant to develop a curriculum in real property taxation.

The project, which is expected to be completed in 2009, will be directed by Clements and Hoover.

The project is expected to be completed in 2009, and the budget is expected to be $94,990.
