Library Service To Business And Industry

The September issue of the Brooklyn Public Library's "Service to Business and Industry" marks the beginning of the 11th year of publication. This issue is devoted to the special service to businesspeople.

The library is particularly interested in the literature of business and allied fields. The Science and Industry Division, located in the Library's Business and Industry Building at Grand Army Plaza, specializes in the science. Both aquarium and laboratory, if you've got a problem, call the Business Reference Bureau at 2-4096, technical queries at 2-6209.

Service to Business and Industry covers a different topic with each issue, giving titles and annotations of recent books about and for the particular field. Recent subjects have been Business Automation, Banking, and Currencies and Opportunities in Science and Industry.

The publication is a joint undertaking of the two divisions of the Library which complement each other. The Business Library, located at 505 Fulton Street between Van Brunt and Elders Avenue, is the headquarters of the Queens Botanical Garden Society, which is the Headquarters for the Queens Botanical Garden Society.

The Queens Botanical Garden Society, a not-for-profit organization, was founded in 1956 and operates the new Garden in Queens. The Society has an agreement with the City of New York and the New York City Parks Corporation to maintain a public park on the property under lease. The park will be a center of educational, research and recreational activities for the benefit of the public.

The Garden is comprised of 34 acres, of which 24 acres of which 24 acres are the existing land and 10 acres comprise the area to be developed. The Garden is open every Sunday from 10 A.M. to 5 P.M.

The Garden is operated by the Botanical Garden Society in accordance with a lease, and the Garden is open every Sunday from 10 A.M. to 5 P.M.
