ALBANY (AP) — New York mãe will receive at least $132 million for damages from
the transportation bill in the coming fiscal year.

The money will go for things like grade crossings in Long Island and
maintenance and natural gas buses for New York City. At least $17 million
will be devoted among New York and neighborhoods for multimodal transpor-
tation projects.

The only state that received more federal funding is California, with
New York and Texas, which have larger
