URGES ROAD BE WIDENED

G. William Mapley Makes Special Recommendation to George U. Harvey.

Queens plans approaching the committee concerned with the widening of Washington street between Woodside and Park avenues, and new highways between Flushing and Jamaica, were discussed at a meeting of the Republican Club of Queens County. Mr. Mapley, who is serving as chairman of the committee, said that the widening project would not cost any more than the present plan, and would result in saving local taxpayers the last two weeks in December.

Once completed, the work that the Chamber has been able to accomplish in this period and directly traceable to the period in which we have more members. That is important to remember and not to underestimate.

The prime purpose of our drive at this time is to promote the Chamber of Commerce and to encourage local business.

The Chamber of Commerce is the voice of business in the community. It is the organization that represents the interests of the local businesses and works to promote the economic development of the area.

The Chamber of Commerce is a voluntary association of business and professional people who come together to promote the interests of their community. It is an organization that encourages cooperation among its members and works to create a positive business environment for its members.

The Chamber of Commerce is an organization that works to promote the interests of the local businesses and to encourage economic development in the community. It is an organization that encourages cooperation among its members and works to create a positive business environment for its members.
