Nursing Home Hearing Draws Large Turnout

"To the members of the Rockaway Park-Belle Harbor Association, its president, Mrs. Ada Zakin, said in part:

"The estimated total sales of these facilities in one proprietary will be over 8,500 beds. There are only 2,978 health related facility units in the New York City area. The figures come from consulting by Thomas M. Tryniski, 309 South 4th Street, Fulton, New York, N.Y. 10007, stating that he estimated that there would be a decrease of 3,800 beds making a total of 4,178 beds. This is a plea on behalf of Rockaway patients and their residents. The figures were obtained from the New York State Department of Licensing Services of the New York City Department of Health, which so far as not been included in plans to extend service to Kennedy Hospital Center. The figures will be presented to the Queens County Medical Society, Committee on the Tariff of Communities, as part of the hospital's Continuing Medical Education Committee, and is a member of the New York Hospital Center.

Blood Appeal Successful; Next Drive Set For March

An appeal for blood donors was made by Dr. J. B. Giavasis, president, and Dr. Max M. Schlesinger, secretary and treasurer, of the Rockaway Blood Program.

At the same time, the Queens Blood Donors Council, affiliated with the American Red Cross, announced that its next scheduled blood collection will be held from 9 a.m. to 1 p.m. on March 20, at the Rockaway Boys Club and the Rockaway Boys Club Foundation.

The Blood Bank officials also announced that the Blood Donors Council will begin its next blood drive on March 5, from 9 a.m. to 1 p.m., at the Rockaway Boys Club and the Rockaway Boys Club Foundation.

Critical: Do Not Move

"In order to protect the 200 households and 1,000 people who lived in the homes that were already razed in the South Beach area, the City is preparing to initiate an investigation into the possibility of building a new home on the site of the Rockaway Beach. Mrs. Ada Zakin, president of the Rockaway Park-Belle Harbor Association, said in part:
