Aldermen Table Police Salary Hike Resolution

A resolution calling for the placing of the Police Dept. pay increase referendum on the Nov. 5 ballot was tabled by the Common Council last night until Wednesday, Sept. 4 at the request of Mayor Wood.

The resolution, introduced by Alderman C. G. Beswick, chairman of the wage and hours committee, was adopted on condition that the police union be consulted with"before any action is taken by the council." The union, Beswick said, had no objection to the resolution.

In a letter to the Council, the union president, W. F. Carbone, stated: "We would naturally object to raising the police salaries to the extent that the resolution states. As the result will become effective before the end of the month, the union president said, he would like an opportunity to discuss the matter with the affected employees prior to any action by the council in the matter."

After the resolution was tabled, Alderman R. J. L. Green suggested that the union be consulted and informed that the council entertain the resolution and that it be submitted to the union for their information and action before the council adopts the resolution.
