Flexible Hip Corset

120 BONES.

Warranted not to Break Over the Hips.

Every lady has been annoyed and ... by having the bones in her corset break over the hip after she has worn it but a very few times.

Manufacturers have sought to remedy this difficulty by using ... or a large number of heavy bones in the sides of the corset, making it stiff, uncomfortable and unhealthy, and in most cases failing to accomplish the object intended.

These difficulties and objections are completely overcome by the Flexible Hip Corset, which is constructed upon entirely new principles, the bones over the hips curving, like the ribs, around the body.

By this arrangement every strain across the bones is avoided, so that it is impossible for the corset to break down over the hips. The point of greatest weakness in other corsets becomes in this the point of greatest strength.

At the same time this construction secures a perfect fitting corset, so comfortable that a lady can lie down in it with ease; so flexible that it yields readily to every movement of the body, and yet so firm as to give the requisite support of the sides.

Ladies who have thoroughly tested this Corset by wearing it daily for months, speak of it in terms of praise.

In the wonderful medicine to which the afflicted are above directed for relief, the discoverer believes he has combined in harmony more of Nature's most sovereign curative properties, which God has instilled into the vegetable kingdom for healing the sick, than were ever before combined in one medicine. The evidence of this fact is found in the great variety of most obstinate diseases which it has been found to conquer. In the cure of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and eminent physicians pronounce it the greatest medical discovery of the age. While it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and thorough blood-purifying properties, it cures all Humors, from the worst Scrofula to a common Blotch, Pimple, or Eruption. Mercurial disease, Mineral Poisons, and their effects, are eradicated, and vigorous health and a sound constitution established. Erysipelas, Salt-rheum, Fever Sores, Scaly or Rough Skin, in short, all the numerous diseases caused by bad blood, are conquered by this powerful, purifying, and invigorating medicine.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from Torpid Liver, or "Biliousness." In many cases of "Liver Complaint" only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.
