M'FARLAND'S SUB PUTS UP GREAT FIGHT

RICHIE PROVES HIMSELF "HOPE" IN GO WITH ERNE

RUSHES LATTER ALL OVER RING

Although the Six Round King Won the Youth From the Golden West Saved Him From Going Into Crowd—McFarland's Absence Caused Fans to Jeer—Thiry Days With Packey, Will Pin His Hopes to Richie Hereafter.

Philadelphia, Feb. 8.—Willie Richie, a youth from the Golden West, pulled off a wonderful performance at the National A. C. last night, when he took the place of Packey McFarland of Chicago against Young Kzone of Philadelphia, and while he was beaten by the great six-round king, he put up a battle that will be remembered when Willie's ring days are done. He jabbed, slugged and rushed Erne almost off his feet, angrily putting him over the ropes with a savage rush in the fourth. Richie reached over the ropes and prevented his rival from falling into the crowd. The two were slugging frantically at the bell. Erne's superior generalship was all that saved him.

The announcement that Packey McFarland would not appear brought about a disappointment from the crowd. Emil Thiry, manager of McFarland, said he was done with Packey and would pin his faith to Richie to take the lightweight title from the champion.

GEORGE CUP TO BE HELD ON ONTARIO

DEED OF GIFT WILL NOT BE EXTENDED TO LAKE ERIE THIS YEAR.

The George cup, made famous on Lake Erie craft to enter the race, and international sailing race, will be kept as a cup for Lake Ontario boats only for the coming year, at least. It is now held by the Royal Canadian Yacht club of Toronto, whose defender, Virie W. retained it for the Canadians in the race held at Toronto last August.

Some of the Lake Erie owners of class B boats desired to have the deed of gift enlarged so as to permit Lake Erie craft to enter the race, and took up the matter with the R. C. Y. C., which referred the question to the Yachting club of this city. The opinion among local yachtsmen, and among Toronto sailors as well, is that no change be made this year, as the challenge for a race has already been issued. At the Lake Yacht Racing Association regatta during the coming summer, a meeting of those interested in class B boats will probably be held, and then will be settled the question of making the George cup an inter-lake trophy.

Another plan suggested is to have the Lake Erie craft try out for the championship of that lake, and then a race for the championship of the two lakes, the winner of the George cup on Ontario, representing the lower lake. There would be little difficulty, it is assumed, in arranging a suitable trophy for the inter-lake championship race. The local committee appointed to act in the matter has been in communication with the Toronto club and has decided to take no action toward enlarging the original deed until the L. Y. R. A. meet.

STATE LEAGUE AFFAIRS

President Farrell Will Not Comment on Killing of Secret Resolution Until Time Expires.

Auburn, Feb. 8. Beyond confirming the announcement that the New York State League clubs had killed the resolution to limit the number of

players to be carried by any club to six men who had served a year in any league of a higher classification, President John H. Farrell of the New York State League declined last night to discuss the matter. Prepared for a reason for his reticence and asked to divulge the vote, President Farrell said that at the league meeting in Troy on January 20 the clubs were given ten days to express themselves in the matter. All have expressed themselves and he has notified the several owners that the resolution is dead.

He does not believe that any of the owners will change their minds, but he is not going to say anything until the ten days' limit allowed by the league is up.

M'COY'S FORMER WIFE WEDS AGAIN

Just Divorced From Noted Yale Oarsmen, She Takes Rubby No. 6.

New York, Feb. 8.—The sixth marriage of Mrs. Julia E. Woodruff Thompson, who was married and divorced from "Kid" McCoy, the pugilist, in 1908, was announced here last night. Her latest husband is George A. Wheelock, once well known in racing circles. The new Mrs. Wheelock obtained a final decree of divorce from Ralph Thompson, son of a Schenectady banker and noted Yale oarsman, just one week ago and was married by a justice of the peace in Jersey City on Tuesday night.

WILLIE HOPPE FINDS GEORGE SUTTON EASY

CHAMPION WAS NEVER IN DANGER DEFENDING HIS 162 TITLE.

New York, Feb. 8.—Willie Hoppe, for the second time in a few months, successfully defended his world's 162-pound billiard championship against George Sutton of Chicago as challenger last night. The final score was 600 points to 280, and the champion's average was 29.77 with high runs of 66.88 and 78.

Sutton never threatened to annex the title and his cue work was disappointing. His average was 16.87 and his best run 47. Hoppe closed his string with an impressive run of 78. The summary: Hoppe (white ball), 12, 57, 36, 25, 3, 0, 33, 1, 4, 0, 26, 14, 58, 2, 46, 5, 28—total, 600 points. Sutton (white ball), 1, 16, 47, 0, 67, 0, 0, 21, 1, 0, 12, 36, 5, 0, 8, 50, 21—total, 280 points.

MIKE GIBBONS FLOORS CASHMAN IN 4TH ROUND

ST. PAUL WELTERWEIGHT HAD A BIG ADVANTAGE ALL THE WAY.

New York, Feb. 8.—Mike Gibbons of St. Paul last night knocked out Young Cashman, welterweight of New York, in the fourth round of a bout at the Empire A. C. The fight was to have been for 10 rounds. The knockout came after one minute of boxing in the fourth round. It was a right swing to the jaw. Previously the waterer had sent Cashman in the canvas for the count of eight with a left straight to the face.

Cashman was a punching bag for Gibbons after the first round, in which he was the aggressor. Gibbons started to work in the second and with hard lefts and rights to face and head brought blood freely from Cashman's nose. He repeated this in the third and had Cashman so badly off that the bell alone saved him from a knockout.

ST. LAWRENCE FIVE TO PLAY W. H. S.

TWO GAMES ARRANGED BUT DATES NOT SET

ONE TO BE PLAYED HERE

Local Sports Will Have Chance to See Great Canton Quintet—Second Team May Play Y. M. C. A. Feb. 15.—Pitcher Sweet Plays Center-Hockey at St. Lawrence.

(Special to the Times.)

St. Lawrence University, Canton, Feb. 8. The fast St. Lawrence University basketball five will give the Watertown lovers of the game that long awaited chance to see them in action when they line up against the Watertown High school quintet at the Garland city, some time in the near future.

While the dates for the games have not yet been decided, they are a certainty and one contest will be played at Watertown and another here.

As St. Lawrence has the best team in its history and is one of the foremost in the college world, there is every indication that many hundreds of people will turn out to see them in Watertown. The Watertown High school were lucky in securing games with the Laurentians this season as it was only owing to the fact that other teams cancelled that they got the opportunity.

With such a team as St. Lawrence has this season, it seems a shame that their schedule should have been so torn to pieces as it has been this year. A great deal of sport was being planned upon when the team met the invaders from other colleges in the closing games of the season here, but by cancellation after cancellation, Manager Mynner has only three games that he is now sure of. These are with the Ottawa Y. M. C. A. Feb. 13, and R. P. I. and Lebanon. Six teams have cancelled, including the great University of Pennsylvania first team which St. Lawrence fans planned being the greatest game of the schedule. This game was to have been played at Ogdensburg. Other teams that cancelled are: Manhattan, Fordham, Dennison, Allegheny and Wesleyan.

Second Team vs. Y. M. C. A. The St. Lawrence second team may play the Y. M. C. A. team at Watertown on Feb. 15. They will also likely play the Ogdensburg High and Gouverneur High.

The second team is especially fast this year. It consists of Captain Welch, Timmerman, Sweet, R. Laferty, R. Doods and Ronalds. Sweet at center is especially fast. He is well known in Watertown, as he pitched baseball at that city last season. The team is heavy and fast as a result of playing against the varsity all season at Hockey at St. Lawrence.

Not unlike many other colleges, this year St. Lawrence has also extended its sport to the popular ice game, hockey. This winter pastime is gradually coming to the front among all American colleges, and a bigger headway has been made this season than any time before. St. Lawrence has gotten into line with the many others and is indulging in hard practice each day on the new rink on the college campus. A large squad of men are out for the varsity team and the coach reports some excellent material.

A game between the freshmen and sophomores will take place Saturday. The varsity team will likely be picked next week. Syracuse university has already challenged for a game as has the Ogdensburg A. C. Just as soon as the team is to shape a short schedule will be arranged.

Windsor, Ont., Feb. 8.—Popular decision saw Mickey Sheridan of Chicago a slight shade over Billy Wagner of Chicago in a fair eight-round bout here last night.

RACE MEET HERE FEB. 20, 21 AND 22

SUBSCRIPTION PAPER HAS BEEN CIRCULATED

PURSES AGGREGATE \$600

Local Meet Will Follow That at Theresa—Track Will Be in the Best of Condition.

It is definitely decided that races will be held in this city for three days following the Theresa meeting. The subscription papers circulated among horsemen and merchants have met with ready response, and sufficient funds are in sight to warrant the promoters of the project with carrying out the event. The dates previously decided upon, Feb. 20, 21 and 22, will be selected.

While the organization of the Watertown Racing Association, which will hold the meet, has not been perfected, officers will be selected and classes announced within a day or two. The program will comprise two races each afternoon and those in charge feel justified in offering \$500 or \$600 in purses.

With the unusually large number of animals in winter training in this city and surrounding villages, not to mention the regular circuit competitors, who will be available following the Theresa races, the management anticipates a larger field of starters for this, the third winter meeting, than ever before. Advertising circulars and entry blanks will be sent to horse owners and drivers throughout the North Country and every effort will be made to make this the biggest event of the season. Watertown has a track that, for racing, cannot be duplicated in this section and, having been kept open throughout the winter, the usual difficulty of preparing it for the meet will not be encountered.

MORE TROUBLE AHEAD FOR JACK JOHNSON

ENGLISH VAUDEVILLE MANAGER GETS \$7,500 JUDGMENT FOR BREACH OF CONTRACT.

London, Feb. 8.—The next time Jack Johnson, the heavyweight champion of the world, goes to England territory he will have to pay a judgment of \$7,500 for failing to observe a contract. A verdict was rendered here yesterday for the full amount against the big negro fighter in favor of Frank McNaughton, the vaudeville manager, who sued to recover \$7,500 damages.

Johnson had signed for a tour under McNaughton's management and, after fulfilling some of the engagements, refused to continue.

CUBS TO PLAY BENEFIT GAME FOR DOYLE'S WIDOW

CONTEST WOULD BE AN EARLY SEASON AFFAIR—SECY. WILLIAMS PROMOTING PLAN.

Y. last week after an operation for appendicitis, are planning for a benefit game to be played early this season. The proceeds to go to Doyle's widow and child. According to Charles Williams, secretary of the club, Doyle's family is left in rather straightened circumstances.

MANDOT VS. PAL MOORE

Will Fight At New Orleans On Mardi Gras Day.

New York, Feb. 8.—Joe Mandot, the sensational lightweight of New Orleans, and Pal Moore of Philadelphia have been practically matched to meet in a ten-round bout before the West Side Athletic club of New Orleans on Mardi Gras day, February 20. They were to have fought a ten-round fight in Memphis a short time ago, but Mandot hurt his hand against Billy Allen of Syracuse, which caused him to ask for a postponement.

WATERTOWN MEN WIN BLUE RIBBONS

AWARDED PRIZES AT CLAYTON POULTRY SHOW

JUDGING IS CONTINUED

Baptists Diabo Givés Exhibition of Fast Picking and Strips Four Birds in ONE MINUTE AND 25 SECONDS—Sidelights on the Show.

Clayton, Feb. 8.—The second day of the poultry show opened at Clayton with a heavy fall of snow, and it looked as though there would be very little travel; however, over 800 persons attended the show during the day and evening. Many more awards of prizes were made, and the judges expect to finish his task at noon today.

Among the attractions yesterday was a wild turkey from Virginia, which secured considerable attention. The exhibit from the Glanholms Farms of Gananoque has attracted everyone attending the show, on account of the extent of the display and some of the high-priced fowl exhibited. This exhibit was shown at Ottawa during the middle of January, and made a clean sweep of all prizes, winning five silver cups, a gold piece, besides numerous ribbons. The same was true in the Gananoque poultry show where they took everything in the White Leghorn classes. W. J. Bullock, the owner, devotes considerable attention to his fowl, and they look very neat. The man in charge of the exhibit, Mr. J. H. Givés, is a Baptist Diabo, and getting them ready for this show.

His other poultry farms of Evans Mills had a whole considerable collection and ribbons which have been won at the various poultry shows. During the evening Baptist Diabo of Clayton gave an exhibition of fast picking. He picked four pullets in the last time of one minute and 25 seconds. Notes of the Poultry Show. Eighty-seven birds from Philadelphia, N. Y., are on exhibition. Many blasphemous words were said regarding the advertised sacred bird.

"Where's Cole?" The secretary of the association is the most sought after man in Jefferson county this week.

The opera house people are hoping that the interest in the show will be kept up until the house is put back in as clean shape as it was before it was turned over to the biddies.

The temptation has proved too strong for many of the spectators and several dozen eggs have been taken from the coops. The warden is to be paid the price of admission—ten cents—made his breakfasts come pretty cheap.

Several of the exhibitors are confident that the judge made at least one mistake.

Kurt Eisfeldt thought so much of the show that he returned to Clayton from Watertown yesterday and paid it a second visit.

SPORT IN SHORT

The 4th Separate fire of Ogdensburg will tackle the strong Port Plain five at Ogdensburg tonight. They defeated the "Purg" team last year and it looks as if they would duplicate the feat again this year. Port Plain is very strong in the show. Tuesday night when they defeated the Tupper Lake quintet 54 to 23 on the latter's own court. This is the first defeat Tupper has met on his own court. Waters appears to be a strong player on Port Plain. He made an individual score of 24 against Tupper Lake.

The University of Pennsylvania basketball five defeated the fast Dartmouth college quintet last night 21 to 18.
