

Overland '615
Model 24 Roadster \$615, both f. o. b. Toledo

With Electric Starter and Electric Lights
Four Inch Tires

Five-passenger Touring

THE price of this new Overland, \$615, includes everything that makes it a completely equipped automobile. It has the dependable Aufilite starting and lighting system. There is a speedometer in the cowl dash, and a full set of tools. It has demountable rims, and an extra rim is included. The tires are four inches all around; non-skid rear. The rear springs are the famous cantilever type—possibly the easiest riding springs ever designed. And in addition its appearance alone gives it a value beyond any other low priced light weight car on the market. It is the latest streamline design, handsomely finished in black with nickel and aluminum trimmings, and is a car you will be proud to drive anywhere.

Hapeman & Goodfellow

Without Prejudice.
A party of young men and women, members of a sketching club, were monitoring along a country road. Just within the fence on the left grew innumerable graceful stalks, each bearing globes of pale green that shaded into gray and purple.
"How enchanting!" exclaimed one young woman.
"Do tell us," said another young woman, equally enthusiastic, to a gardener standing near, "what these beau-oo-tiful things are."
"Them? Them's onions goes to seed."—New York Times.

Gold.
The specific gravity of gold is 19.30—that is, it weighs nineteen and a half times as much as its own bulk of water. The ductility and malleability of this metal are equaled by no other. By ductility is meant the property of allowing itself to be drawn out into a wire and by malleability its property of flattening without splitting under the hammer.

Willing to Help.
"I don't see anything the matter with you," said the doctor.
"Well, I'm worried, doctor."
"About what?"
"My money."
"Oh, well, I guess I can relieve you of that."—Yonkers Statesman.

Acrobat at the Dinner Table.
He—Say, that friend of yours is the greatest soup eater in the universe. She—Why, how's that? He—Well, I've seen soup siphoned and gargled, but he's the first one I ever saw who yodel-ed it.—Corbett's Widow.

ARE HE SET.
A couple of Pennsylvania farmers, a man and wife, drove from their farm to the nearest railway. The man, small and scared, sat meekly beside

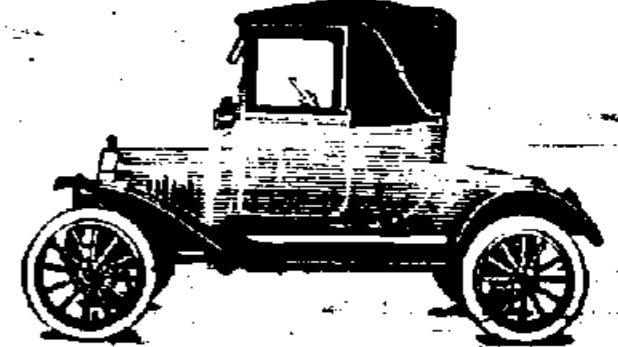

"COMES SET."

his wife, who filled two-thirds of the seat, and only spoke to command. Finally the station was reached. The woman bustled in, settled her numerous bundles and sat down. Looking over her goods and chattels, she suddenly missed something and, looking about, discovered that her husband had remained outside on the platform. She rapped sharply on the window.
"Men!" she called, pointing to the hench beside her. "Come set!"—Everybody's.

Ford
THE UNIVERSAL CAR

Ford service for Ford owners is worthwhile. Fifty one Ford branches; over 8,500 agents all through the country, each with a complete stock of Ford parts and supplies on hand. Play a Tune for the Folks at Home on One of These Pianos

When the people of the house want a little music, when you want to sing a song with piano accompaniment, when friends step in and you want to do the entertaining—

Isn't it a nice thing to be able to step up to a piano and render good music whether you are a musician or not?

Kranich & Bach Pianos Sterling Pianos

Pianos made by masters in the art of piano construction. Pianos rich and lasting in tone—pianos that are not only an artistic addition to the home, but which represent a sound investment.

Think of father or mother playing their favorite tunes. Think of the joy for everyone when there is good music in the home.

Something new in the home is as pleasing and cheering as the welcome Sunshine of Spring.

Out of about 45,000 buildings in this city more than 35,000 of them are homes.

Nearly every one of these homes will need something new.

Many of them will have rooms to furnish or refurnish.

And there will be new homekeepers looking for the things that make a home cheerful and comfortable.

The various homefurnishing departments are filled with "Value First" things.

The opening displays, we think, are interesting, suggestive and helpful.

But the backbone of the event is the carefully selected stocks of standard goods that are marked at prices that are safe to pay.

Come. Lookers and buyers are entitled to the same pleasant courtesies at Deys.

Deys' Homefurnishing Contract Department

Designs, samples, suggestions and estimates cheerfully furnished by proper authorities on home furnishings.

A service that will be of advantage to you.

Whether it is a single room or entire home that requires the attention of specialists, the service of our contract department is at your disposal.
Third Floor
