

# Workers Set For Task Ahead

## Red Cross Opens Its Appeal for Funds March 1

County branches of the Wayne and Cayuga Chapters, American Red Cross are busy this week organizing for the next great home front task of raising money to enable the Red Cross to carry on its work in the year ahead.

The American Red Cross has budgeted its needs for the year at \$200,000,000, of which 90 per cent is to finance its scores of services to the men in the armed forces and their families—services that go shoulder to shoulder with the uniformed men all the way from home to the camps, to the battle fronts, and even to enemy prisoner of war camps, should they be captured.

The Red Cross War Fund drive will be conducted throughout the nation during the month of March. This Sunday has been designated as "Red Cross Sunday" and many local pastors are planning to include in their services a message on the humanitarian program of the organization.

Throughout the counties branch War Fund chairmen are organizing their captains and workers for a general canvass for contributions.

He suffered two broken ribs, a dislocated vertebrae, a bump on his head, banged elbow and a black eye. He was taken to Wolcott clinic for X-ray and treatment and later taken back to his home where he is confined to his bed. His sister, Mrs. Emma Van Patten, is also at the Riley home where she has been ill. She is now able to sit up part time.

## With Cato Service Men

(Continued from Page 1)

For everything you are doing. Hope the day comes soon when we will all be back home. Art Dean.

A nice letter of appreciation from Art Schmidt came this week. Art is now a petty officer 3/c in the U. S. navy. Anyone wishing to write, Art's address may be obtained from his family or this office. The name of his ship is in it and we hesitate to print this information. He writes: "Am taking this opportunity to thank you for the small Christmas package I received today (dated Feb. 5). It came fine and dandy and I enjoyed all that was in it. I am in the best of health. I hear the weather is cold around the good old community. You don't know, back home, how much a guy appreciates the things he gets and receives out here away from home. I thank you all again. Sincerely, Art."

Lt. Kenneth D. LaRowe left for Sioux City, Ia., Friday after a leave spent with his family. Mr. and Mrs. R. L. Spooner, at his home here.

A long letter from Lt. Donald Patchen, who is now in England, was received this week. "I really haven't forgotten the friends I left in Cato, but my training and moving about has kept me more than busy since my last letter to you. With that and the fact that letter writing isn't one of my accomplished arts, I haven't done very well in keeping up on my correspondence. I hope you will forgive me and I promise to do better in the future. I want to thank you for the service you've given me in the past months. The paper has come to me without any delay whatsoever. If it means as much to the other boys as it does to me, you are most assuredly doing a grand job. I would also like to thank the Service club for the grand Christmas present. Those items are just the things that I can use to the best advantage. I'm sorry that I have taken so long to tell them that their efforts were not wasted on me. I've seen some wonderful scenery here, something that I can't explain very easily. People have to see it to understand what I mean. I wish that I might have seen it before the war for I am sure it was more beautiful then than now. The cleanliness of the land and buildings makes you stop and take it all in. Something else has come to my mind that I would like the folks at home to know about—the U.S.O. shows here. The entertainers are grand for you should see the boys that crowd in to see everyone that comes to help make up the show. It isn't a show you forget about. We talk about it until the next one comes and then we talk about that one. The groups that travel about to build up our morale do it in a big way. I want you to know how much it means to us over here. Thank you again for everything. Donald."

**VICTORY**

A recent letter from Frederick O'Bryan to his parents, Mr. and Mrs. Irving O'Bryan, states he has been transferred to the Headquarters and Plotting Company of the 568th. He says the weather there has been very changeable and he had just recovered from a bad cold. His present address is: Pvt. Frederick O'Bryan, A.S.N. 32879318, 568th Hq. & Plot. Co. A.W., Drew Field, Fla.

Pfc. Kenneth Finck of the marines, who has been home enjoying a furlough with his father, sister and other relatives, left Tuesday noon together with his wife and sister Norma to return to California where he will receive treatment on his limb that was injured some time ago. He had hoped to be transferred here and receive treatment at a local base hospital but was unable to do so.

Harold O'Bryan, youngest son of Mr. and Mrs. Irving O'Bryan, was in Syracuse last week Friday when he was inducted into the Air Corps Enlisted Reserve for future training with the U. S. Army Air Forces.

**Bureau Sponsors Vegetable Meet**

Cayuga County Farm Bureau is sponsoring an upland vegetable meeting Friday, Feb. 25, in the Chamber of Commerce building in Auburn. The meeting will start at 10:30 a. m. and end with a discussion period at 3:15 p. m. This period is especially designed to aid those who have special problems.

Dr. Robert D. Sweet and Dr. R. W. Leiby will speak and will give information on how to take advantage of every known trick to get the highest possible yield.

The Mississippi delta extends into three states—Louisiana, Mississippi and Arkansas.

**Fire Damages Abrams Home**

Fire of undetermined origin destroyed the home of Mr. and Mrs. James Abrams located north of Red Creek village Saturday afternoon about 3:30.

Firemen answering the summons worked tirelessly in the battle with the flames. The entire top floor of the house was gutted, the roof on the north side was burned off and, the entire house watersoaked. Considerable furnishings were saved.

Mr. and Mrs. Abrams and family are staying for the present at the home of their daughter and husband, Mr. and Mrs. Walter Webster.

## "The Old U. S. A. Love of 1859"

Has been so good to us by furnishing us Light, Heat, Horsepower AND Transportation all these years and still going strong in wartime, (we are told) on a 10 to 1 shot (10 of U.S.A. to 1 of England) with U. S. A. having 6% of world's population and 60% of the world's reserve (of this love), the rest of the world has 40%, had we better not think twice or three times before deserting this "Old Love" on the home front in U. S. A. and letting it go to "pot" and spending \$135,000,000 on that "Canol Project" in Canada and now a proposed project to cost from \$130,000,000 to \$165,000,000 in Arabia. Why can't a little of our SUBSTANCE be left at HOME in U. S. A. and not ALL be spent in foreign lands in order to save that "Old Love" in U. S. A.—the "American Oil Well" and our FREE ENTERPRISE and PROFIT SYSTEM.

We have been told so many times that isolationists overplayed their hands why not let this be a warning to Internationalists? If this Arabian oil project is going to help furnish oil in the Mediterranean war area and will take one and a half years to complete, pray tell us when this war is going to end or could it be built and if war ends, that it could be used to depress our "Old Love", the "American oil well" still farther? Let's save America for Americans—let no selfish destroying internats destroy our PROFIT SYSTEM and FREE ENTERPRISE—we Americans want no yoke of oppression or any part of it!
