IT PAYS TO ADVERTISE!

From where I sit... by Joe Marsh

**Mystery of the Rocking Chair**

Ma Hoskins has a favorite rocking chair that's worn and shabby, with a noisy creak. Pa Hoskins has listened to that squeak for thirty years... and he decided to do something about it. So he bought a new rocker, and hid the other in the barn.

Ma allowed as how grateful she was... but when Pa missed her one afternoon, he heard a familiar sound that led him to the barn. There was Ma rocking happily in her old chair—squeak... squeak.

Quick as a wink he hid the new rocker and then brought Ma's old chair back to the house. Now when he hears that squeak, he looks at the mellow glass of beer he's drinking and says to himself: "She's just as entitled to her small pleasures as I am."

From where I sit, that's one of the reasons the Hoskinses are the happiest, oldest-married, peace-fullest folks in our town.
