Mr. and Mrs. Ed Gould and son called at the John Gould home Sunday evening. Mr. and Mrs. William Brayton were in South Butler Monday. Mr. and Mrs. Leo Lunkenheimer and sons of Ira called at the Slayton and Glenn Aldrich home Sunday.

Church Council Dinner at Auburn

Open to all interested persons will be the dinner of the Cayuga County Council of Churches which follows the annual business meeting Monday afternoon, April 21, at the First Presbyterian church in Auburn. There will be an installation service for the newly elected officers, but with that exception matters of business will be taken care of at the 8 o'clock session, thus clearing the track for the noted speaker, Dr. Robert W. Searle, who for 12 years was general secretary of the Greater New York Federation of Churches, and now has the dual job of director of community relations and executive secretary of the human relations commission of the Protestant Council of the City of New York.

1:30 p. m.—Divine worship and sermon.
2:30 p. m.—Church school.
The Youth Fellowship will meet Thursday at 7:30 p. m.

MARKETING with Marjorie

When April showers come your way, do you have to brave the rain to go marketing... or have you enough staples and canned goods on hand to tide you over until the sun shines again? If you haven't, there's no time like the present for securing a "rainy day" shelf... and no place like the A&P for stocking it with fine foods at thrifty prices!

A TOAST TO THIS TOAST
You'll toast cinnamon toast made this way: Mix ¼ cup powdered sugar with 1 tsp. cinnamon, and combine with 4 tbsps. butter, creamed. Toast 4 slices of MARVEL ENRICHED WHITE BREAD on 1 side, spread mixture on other side, and cook under broiler till it bubbles. I always use A&P's MARVEL ENRICHED WHITE BREAD because it toasts so evenly, and is guaranteed fresh by the date on the wrapper.

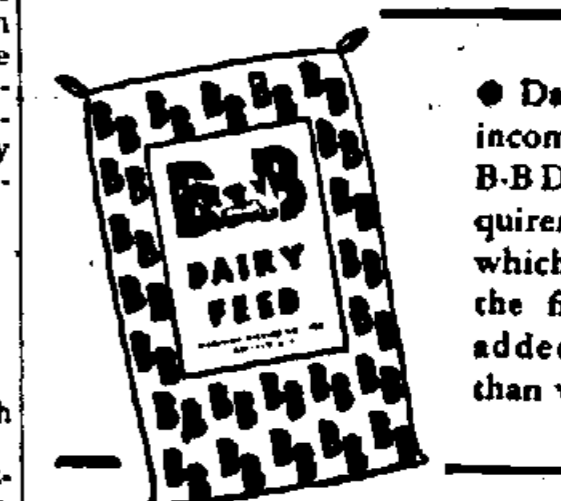

READ 'EM AND REAP!
In talking to the manager of my A&P the other day, I made a very interesting discovery. He told me that A&P's canned fruits and vegetables are graded according to standards set up by the Department of Agriculture. A&P BRAND is Grade A; SULTANA, Grade B; and IONA, Grade C—and we housewives can cut our food bills by buying the grade that's best for the way we intend to use the product. For example: I was about to buy a can of A&P BRAND peaches for a pie when the manager pointed out that IONA peaches would be just as good for that purpose because they're equally nutritious, though not as fancy. Since then I've been reading the back panels of all labels very carefully and profitably. I recommend that you "read 'em and reap", too! You'll be surprised how much helpful information they give.

QUICK TURNOVER
Here's a turnover that's quick to click with folks who enjoy A&P's rich ANN PAGE GRAPE JAM (and who doesn't?). Sift 1 cup flour and ¼ tsp. salt; cut in ¼ cup shortening; add ¼ cup grated cheese and 2 to 3 tbsps. cold water to make stiff dough. Chill 1 hr. Roll out; cut into 6 to 8 2-inch rounds; put ¼ tsp. ANN PAGE GRAPE JAM in center of each and fold over. Press edges with fork; prick top. Bake 10 mins. in very hot oven, 500° F.

Mentz Grange To Visit Cato

The annual neighborhood night program will be presented by Mentz Grange at the next regular meeting of Cato Grange, Tuesday, April 22, at 8 p. m. Every grange member is urged to be present. Refreshments will be served by Cato. Each family is asked to bring either sandwiches or cake. The service and hospitality committee will take care of the rest of the refreshments.

On Tuesday evening, May 6, Cato Grange will present the neighborhood night program at Fair Haven Grange. The theme of the program this year is "The Grange Unfringed." On Monday evening, April 28, there will be a county-wide meeting in the Cato Grange Hall for each family to bring the purpose of conferring the third and fourth degrees on a large class of candidates.

● Dairymen, who figure their income and costs closely, find B-B Dairy Ration meets their requirements nicely. It is the ration which is standard for many of the finest milking herds. The added milk production more than writes off the feed cost.

From where I sit... by Joe Marsh

A Great Bunch—Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

Joe Marsh

**NO WHIP!
NO WOBBLE!
NO WEAKNESS!**

For today's speedy hauling jobs, get the safe, swift, smooth performance a John Deere Rubber-Tired Wagon offers you. There's no whipping... the rigid construction and tight hitch make it a trailer... not a whipper. There's no wobble—the new, demountable automotive-type wheels, equipped with Timken-tapered roller bearings, are snug when new and can be kept snug. There's no weakness—strong axles and sturdy frame are electrically-welded to handle heavy-duty loads. Add to these advantages the auto-steering mechanism... adjustable, tubular-steel reach... brakes, if desired... plus many others. You'll find a John Deere is so easy, so economical to operate. Remember... there's a John Deere Wagon to match your hauling requirements. Come in and let's talk it over the next time you're in town.

Lawn Mower Time Will Soon Be Here

Light easy-running rubber-tired 16-inch hand mowers as low as **\$14.95**
