Let's Watch
 Two fishermen were angling in a river when one suddenly dropped his rod.

"Heavens!" he ejaculated. "Did you see that fellow fall off that cliff over there into the river?"

"Don't get excited Bill," advised the other. "Perhaps he was a movie actor making pictures."

"But my stars! How can we tell?"

"Well," replied the other, "if he drowns, he ain't."

If you live by high principles you will not have to tell anybody.
