CHAMBER OF COMMERCE

"Fulton First, Last and All the Time"

FULTON, FIRST, LAST AND ALL THE TIME.
THE SECOND SYMPHONY ORCHESTRA CON-
CERT, WITH JOHN FINNEGAN AND MARY CAR-
SON, SOLOISTS, WILL BE GIVEN THIS EVENING
IN THE QUIRK THEATRE. IF YOU DON'T GO
YOUR FRIENDS WILL TELL YOU WHAT YOU
MISSED AND YOU WILL THEN BE SORRY.

Say, what's the use of taking stock
In all these things we hear?
Why "rip the lining" out of Jones,
And make Smith look so queer?
You cannot always tell, my boy,
Perhaps it's all a lie—
Just step around behind some tree
And watch yourself go by.

In business as in pleasure
And in the social life,
It doesn't pay to speculate

Or let your thoughts run free,
But try to see the best in those
Who in your pathway lie—
Just slip around behind some tree
And watch yourself go by.

WOMEN UNITE TO MAKE 1916 CAMPAIGN ONE REAL MORAL EFFORT

The women appointed as ward chairmen of the Clean-Up cam-
paign met yesterday with the general chairman, Miss Thayer. The
report as given by these chairmen showed that they have been activity
at work. In many instances a house-to-house canvass has been made
my members of the ward committees, and, too, neighborhood meet-
ings, have been held. In this way the Clean-Up movement has re-
ceived wide publicity, and an impetus given that cannot fail to bear
fruit.

The general sentiment as found by the workers, it was reported,
is one of ready cooperation. In a few instances where persons did
not understand the purpose of united action a little resentment was
displayed. However, this was in rare instances as most persons have
become sufficiently informed of the purpose of a Clean-Up Week to
join in the movement with good spirit, realizing that "what's good
for my neighbor is good for me."

Mrs. W. J. Hartnett, who was unable to attend last week's meet-
ing was present yesterday and reported the work done by her com-
mittee. The field although rather extensive as to area had been thor-
oughly canvassed.

Hughes Must Run, Declares Alton Parker

Concerning the candidacy of Justice Hughes, today's New
York Herald says:

"Justice Hughes will be compelled 'as a patriot' to accept the
republican nomination for President if it comes to him unsought, and
may do so with 'perfect propriety' to the Bench, in the opinion of
Alton B. Parker, the nation's only private citizen who stepped from
high judicial position to take a Presidential nomination.

"In this expression of opinion, given to the Herald yesterday,
Mr. Parker voices the almost unanimous view of distinguished jurists
and statesmen who, by prestige and knowledge of the law and tradi-
tions of the country, are best qualified to discuss the question.

"Giving their answers to the Herald's query, 'Can Justice
Hughes with propriety accept the Presidential nomination?' promi-
nent men from all sections of the country have said, 'Yes.' The un-
animity of the answers is amazing to the political leaders. This ques-
tion has been regarded as the highest barrier ahead of Justice Hughes.

The democrats have attempted to make much of it and advocates of
other candidates have cried that the "ermine must be unsoiled," that
Justice Hughes must turn away from the nomination even if it comes
to him.

"In seeking interviews concerning Justice Hughes and the Pres-
idential nomination the Herald has sought merely to present to its
readers and all those interested in the peculiar political situation in the
republican party the views of those men of the country best qualified
to discuss the subject of judicial ethics.

"Perhaps the most surprising feature of the result is that for
the most part democrats agree with the republicans in stating that
there is no reason why Justice Hughes should not accept the nomi-
nation if it comes to him unsought. They add that he should make
no move to capture the nomination, and, if it does come, that he
must at once step from the Bench. A few democrats declare Mr.
Hughes cannot accept."

FULTON PHARMACY TO REPLACE KLINE-WOOD CO.

The Kline-Wood Drug Company
has sold its drug store in this city to
Mr. B. L. Neubauer of Buffalo.

Mr. Neubauer has assumed control
of the business and associated with
him is Mr. Charles Rose of Syracuse.
A complete line of new goods is be-
ing arranged, and a formal opening

will be tendered the public in the
near future. The store will be known
as the Fulton Pharmacy.

Mr. Neubauer is a graduate of Buf-
falo University, and before coming to
this city was manager of the Miller-
Strong Drug company of Niagara.

WEATHER FORECAST

Probably cloudy tonight. Continu-
ed cool Wednesday.

Mrs. E. A. Galdman reported some successful neighborhood
meetings in her ward. Mrs. Jesse Morrill, Mrs. D. M. Sullivan,
and other chairmen who were unable to be present, but who sent their
reports, all showed that progress had been made.

Miss Nancy Cook whose art department is doing an extensive
of landscape gardening about the high school grounds has also plan-
ned to extend the work further into the community. As a part of
the final exams each of the one hundred and twenty-five pupils is
required to construct and erect a bird house, and to plant six packages
of seeds. The effect of such an influence radiating from the art
center of the community is splendid and Miss Cook will no doubt re-
ceive the commendation of wide-awake Fultons, for making the
work of her department so much a part in the good influence of the
entire community.

The next meeting of the committee will be held on Monday af-
ternoon with Miss Thayer when final plans will be gone over. The
ultimate disposal of ashes, tin cans, etc., is a problem not so simple
when the work is to be done effectively.

GERMANS RENEW BOMBARDMENT OF VERDUN SECTORS

The repulse by the French of powerful German attacks around
Dead Man's hill and of counter attacks to the north of Cumieres, has
again been followed by a heavy German bombardment of these sec-
tors and a continuation of the shelling of Cote du Poivre and Douai-
mont, northeast of the fortress. No fresh infantry attacks have been
launched by the Germans. In sapping operations in the Argonne
forest the French were enabled by the explosion of a mine to take a
portion of the crater.

Nothing of importance has occurred along the northern section
of the battle front in Russia, according to Belfin, but in the south the
Austro-Hungarians have been forced to withdraw before a counter
attack by the Russians from trenches north of Mlynov, which they
had previously captured.

The usual bombardments are in progress on the Austro Italian
front. Gorizia has again come under the heavy fire of the Italians.
In the Adallo zone the Italians are on the offensive against the Aus-
trians at Hopeto Pass.

Paris reports that on the Greek frontier there have been frequent
but unimportant skirmishes between Entente Allied and German Bul-
garian forces, whose lines are less than two-thirds of a mile from
each other at certain points.

Two British war craft, the armed yacht Aegus and the mine
sweeper Nasturtium, have been sent to the bottom of the Mediterran-
ean by coming in contact with mines.

TURKS SAY RUSSIANS COVETED DARDANELLES

Berlin (via Sayville)—Russia's de-
sire to conquer the Dardanelles, in
which she received encouragement
from England (was responsible for
the present world war. This is the
view of Halil Bey, Turkish Minister
of Foreign Affairs, revealed at an of-
ficial banquet last night in Constan-
tinople.

The banquet was given by the
Committee of Union and Pro-
gress in the Turkish Parliament in
honor of a visiting party of deputies

from the German Reichstag. In his
address of welcome Halil Bey said:

"The present war originated with
Russia, which wanted to conquer the
Dardanelles. Russia was encouraged
by England, and thus dared to fight
for the possession of the straits and
a free entrance into the Mediter-
ranean. The British Prime Minister
assented.

"The alliance with Japan was effect-
ed to protect England against Rus-
sian expansion in Asia. Thus Eng-
land was enabled to make conces-
sions to Russia at the expense of
Turkey.

ALL LEADERS OF IRISH REVOLUTION AND 1000 IN RANKS PRISONERS

London—All the revolutionists in Dublin have surrendered, and
those in the country districts are doing likewise, according to an of-
ficial statement issued this evening. The statement says:

"All the revolutionists in Dublin have surrendered, the city is
reported quite safe. The revolutionists in the country districts are
surrendering to the mobile columns.

"There were 1,000 prisoners in Dublin yesterday, of whom 489
were sent to England last night.

"It is reported from Queenstown that hopes were entertained
that arms would be handed in today in the city of Cork.

"During the night of April 30-May 1 the revolutionists in En-
niscorthy made an offer to surrender their leaders and their arms on
condition that the rank and file be allowed to return to their homes.

"They were informed that the only terms that could be consid-
ered were unconditional surrender. These terms were accepted by
them at 6 o'clock this morning. It was reported later that they were
surrendering today on these terms.

"A column composed of soldiers and Royal Irish Constabulary
captured seven prisoners in the neighborhood of Ferns (County Wex-
ford) today.

"Wicklow, Arlow, Dunlavin, Bagenalstown and New Ross, and
the counties of Cork, Clare, Limerick and Kerry are generally quiet.

"The whole of Ulster is quiet."
