HOW TO BE HAPPY.

Happiness is not only a condition of the mind, but more often a condition of the body. You may learn something from the experience of Mrs. William Troute, Iliou, N. Y., who was sick for a long time from a badly disordered stomach. "I felt miserable all of the time," she writes. "I was tired and had no appetite. A friend advised me to take Chamberlain's Tablets. I did so and my appetite improved and I gained rapidly in health. Two bottles of them restored me to my former good health."

MOUNTAIN COLLEGE'S LINCOLN CELEBRATION

Notable Men to Gather Feb. 10 at Cumberland Gap.

STUDENTS NATION'S HOSTS

Chancellor John Wesley Hill Arranging Great Program For Twentieth Anniversary of the Lincoln Memorial University and Natal Day of Abraham Lincoln.

This year's greatest celebration of Lincoln's birthday will take place at Cumberland Gap, Tenn., where the borders of Kentucky, Virginia and Tennessee come together in the midst of the Appalachians. It is to be held under the auspices of Lincoln Memorial University, and will not only commemorate the natal day of Lincoln, but will mark the twentieth anniversary of the founding of the institution named for him. The mountain students from the region in which Lincoln's early life was spent are to be the hosts to the rest of the nation and lead in paying homage to his memory. Governors, Senators, educators, capitalists of finance and industry will assemble for a three days' Lincoln Congress, February 10, 11 and 12.

Notable List of Speakers. The arrangements for the celebration are in the hands of the Rev. Dr. John Wesley Hill, chancellor, who was recently elected to that office. He has arranged a notable programme for the Cumberland Gap celebration. The Governors of Kentucky, Tennessee and Virginia will make ad-

resses of welcome, and among others who will appear in the list of speakers will be Governor McCall, of Massachusetts; Governor Cox, of Ohio; Henry Lewis, Adolph Lippmann, John Hays Hammond, former Secretary of War Dickinson, former Secretary of the Treasury Shaw, General Coleman DuPont, of New York; F. A. Selberling, of Akron, O.; A. L. Garford, of Elyria, O.; Minister Koo, of China; Mayor William Hale Thompson, of Chicago; Hon. Marcus M. Marks, Borough President of Manhattan; Senator Sherman, of Illinois; Senator Owen, of Oklahoma; Senator Watson, of Indiana; Senator Shields, of Tennessee; Senator George W. Norris, of Nebraska; Senator Townsend, of Michigan; former Senator Towne, of Minnesota; ex-Speaker Cannon, of Illinois; Hon. Benjamin S. Haubert, of Grand Rapids; Hon. Bainbridge Colby, Hon. Max Pam, of New York, and Congressmen from every state.

Wide Range of Subjects. The Presidents of fifteen colleges and universities will also deliver addresses. A wide range of subjects will be discussed. There will be addresses on "Lincoln and Labor," "Lincoln's Attitude Toward Capital," "Lincoln, the Friend of the South," "Lincoln and Education," "Lincoln and Arbitration," "The Religion of Lincoln," "Lincoln, the Typical American," "Lincoln, the Man of the East," "Lincoln's Peace Policy," "Lincoln and the Judiciary," "Lincoln and Thrift," "Lincoln and the Industrial South," "Lincoln and Emancipation," "Kentucky's Greatest Son" and "The Last Day of Lincoln." The last address will be delivered by Hon. Henry R. Rathbone, of Chicago, son of Major Rathbone, who sat in the theatre box with Lincoln on the night of the assassination.

Founded by General Howard. Lincoln Memorial University, where the celebration will be held, was founded just twenty years ago by the late General Oliver Otis Howard of Vermont. He devoted the last twelve years of his life to the up-building of the institution, as a living memorial to his old Commander-in-Chief. The college is designed to give poor white boys and girls of the mountains a chance for an education. A large percentage of the students earn their way through the college course, literally leaving the bundles of the punch to the cap and gown to accept their degrees.

The trip to Cumberland Gap promises to prove a revelation to many of the distinguished persons who have accepted invitations to attend. It is planned to run special trains to Cum-

The British Cabinet. It is the inflexible unwritten rule of the British cabinet that no member of the cabinet shall take any note or record of its decisions except the prime minister, and he does so solely for the purpose of sending his written report to the king. Made Clear. "What is the distinction between verse and poetry?" "Well, if you can understand it it's verse, and if you can't understand it it's poetry." -Life. Try Times Classified advertising.

His Little Joke. "How'd you like a pair of policeman's shoes?" "I'm afraid they'd pinch me." answered the wayfarer, with a grin. -Louisville Courier-Journal. Natural Command. "What did the surgeon do when he started to vaccinate the regiment?" "I suppose he ordered them to present arms." -Baltimore American. It is easier to find a thousand results than one general.

INDIGESTION AND CONSTIPATION. "When I began using Chamberlain's Tablets for stomach and liver about three months ago I was suffering a great deal from indigestion and constipation," writes Mrs. Rachel Watson, Iliou, N. Y. "One dose of this medicine greatly benefited me, and since taking two bottles of it all symptoms of stomach trouble have disappeared and my bowels have become regular."

accomplishment, the new Scripps-Booth eight-cylinder four-passenger car brings a finer luxury and a new appeal to motorists who know. Scripps-Booth cars fit into every environment of business, touring or society, performing as consistently in the mountains of the West as they do in the commercial atmosphere of Pittsburg or in the social whirl of New York or Newport. They offer you every refinement of performance and range of ability required by the most knowing of purchasers, and add to this a comfort and lack of fatigue in long touring never before attained in motor vehicles. A study of Scripps-Booth principles will interest you as a connoisseur no matter what your present interest.

CONVINCEMENT. From New York to San Francisco Me. and Mrs. Jack Tropol, of Brooklyn, made 4930 miles and an average of better than 23 miles per gallon of gasoline in a 1916 Scripps-Booth model. From Chicago to Los Angeles, California, 2,485 miles were covered at an average of 22 miles per gallon of gasoline by Messrs. George Greenberg and A. S. Wiley of Chicago. A six day non-stop run was successfully finished on August 14 by a 1917 model Scripps-Booth 4-cylinder car, driven by James A. Nisbet, Denver, Colorado. 1,042 miles were covered and an average of 30 1/2 miles per gallon of gasoline was made. An average of 36.72 miles per gallon of gasoline was made on August 13, 1916, by a Scripps-Booth 4-cylinder car, driven from Seattle to Tacoma, Washington, by Mr. M. S. Bingham, of the former city. The gasoline tank was filled and sealed by the Sealer of Weights and Measures D. W. Packard, Seattle. Twenty-three miles per gallon of gasoline was the mileage recently made by an 8-cylinder, 4-passenger Scripps-Booth car which was driven 300 miles through the White Mountains, by Mr. Albert J. Howard, Providence Rhode Island.
