

Tanlac Bestows Happiness On New York Couple

Rochester Man Now Being Congratulated on His Surprising Recovery from Stomach Trouble and Run-Down Condition

If you are nearing the tragic moment when good health slips from you, if indigestion, nervousness, kidney disorders and ailments caused by a run-down condition torture you, benefits from the remarkable experience of William Little who suffered untold agonies for many years only to later regain his health and strength.

Sitting in his comfortable home at 166 Glenwood Avenue, Rochester, N. Y., Mr. Little recently said: "My condition was unbearable. I watched myself slowly fade away. I suffered from stomach trouble and nervousness which caused splitting headaches that almost drove me mad. I had no appetite for food. And when I ate I paid a high price, suffering from indigestion and gas which made me belch and caused burning pains. For days at a time I could not even sit up in bed. I looked underfed, weak and nervous. I sought relief, trying this and that without success. Then Tanlac came to the rescue.

Now Mrs. Little is delighted with my condition and so am I. Am feeling stronger and healthier. My stomach trouble has never returned. I eat everything without a thought of pain. This great tonic built up my strength

and gave us happiness. Everyone should take it, regularly."

Mr. Little is only one of many fortunate men and women now enjoying the benefits of good health and vital strength, thanks to Tanlac, the safe, effective remedy made from roots, bark and herbs.

Learn from their experience and good health and strength can be yours, too. The first bottle of Tanlac shows amazing results. Ask your druggist for Tanlac—today! More than 40 million bottles sold.

Keep in Trim!

Good Elimination is Essential to Good Health.

THE kidneys are the blood filters. If they fail to function properly there is apt to be a retention of toxic poisons in the blood. A dull, languid feeling and, sometimes, toxic backaches, headaches and dizziness are symptoms of this condition. Further evidence of improper kidney function is often found in burning or scanty passage of secretions. Each year more and more people are learning the value of Doan's Pills, a stimulant diuretic, in this condition. Specially a cook or hamlet anywhere but has many enthusiastic users. Ask your neighbor!
