Mr. and Mrs. Arthur Miller entertained on Monday at dinner Mrs. Addie Miller, Mr. and Mrs. Otto Wasmuth and Mr. and Mrs. Thomas N. Evans. Mr. and Mrs. Howard Barnes, and family, of Barneveld, have been recent guests of Mr. and Mrs. Kent Dodge, the occasion being in honor of Mrs. Dodge's birthday.

Regular meetings of Turin Grange will be held Saturday, January 13th, at 1:30 p. m. The third and fourth degrees will be conferred, after which lunch will be served. Mr. and Mrs. William Carey, who have been spending the past two weeks with their parents, left Thursday for Palm Beach, Florida, for the remainder of the winter. The tax warrant for the town of Turin has been received by the collector, William H. Jones, who will receive taxes at one per cent for thirty days, starting from December 28th, at his home every week day, with the exception of Tuesdays, when he will be at Houseville. The net receipts of the chicken pie supper and entertainment held Wednesday evening, December 28th, for the benefit of Turin Grange, were fifty dollars, to be applied to the roof fund. Much credit is given to the various committees and all those who helped to make it a success. At the meeting of the town board, held at the town clerk's office Friday, December 29th, a unanimous vote of thanks was tendered to Leon Carpenter for the excellent work he has done in representing the town on the Board of Supervisors for the past ten years, and also for his untiring courtesy to all his constituents during that time. The oldest mercantile business in Turin changed hands last week, when the stock of the Holden Bros. drug store was transferred to Lee Wasmuth, who will continue the business in the same location under the title of the Holden Drug Co. Mr. Wasmuth is a registered pharmacist, is well known and has no doubt will continue to receive the patronage which has so long been enjoyed by this store. It rarely happens that a business of this kind should be carried on by the members of one family for so many years. Emory B. Holden, the founder, came here from Floyd in 1833 and was at first employed by his uncle, Ozzias Wilcox. About 1840 he built the store and started the business. After his death in 1878, the stock was purchased by his nephew, E. D. Holdrege, who managed it for the next thirteen years by E. D. and W. D. Holden. In 1911 the Holden Brothers took over the title to the business and conducted it together until the death of E. Dewey Holden in 1920. Since that time it has been carried on by W. D. Holden, continuing the firm name, however, to the present time—more than eighty-seven years since its founding. It is doubtful if Lewis county has another instance to equal this long life of one business. Mrs. Ruth Payne passed away December 30th at her home in this village, after a lingering illness. Etta Dewey Payne was born on the Dewey homestead June 1, 1864, a daughter of the late Edwin P. and Esther Shepard Dewey. On March 7, 1884, she was united in marriage with Ralph Payne and their only married life was spent in this place, where the deceased was well and favorably known. Two children were born to them, Harold, the eldest, who died February 5, 1913, aged 23 years, and a daughter, Mrs. Norman Vorkeller, of Ponda, who, together with the husband, tenderly cared for their loved one during a long and painful illness. There also survive two brothers, George Dewey, of Detroit, and John M. Dewey, of Turin, and several nephews and nieces. Funeral services were held from the home Tuesday at 2 p. m. Rev. W. G. Geeson officiating; interment in the family plot in Turin cemetery.

This community was shocked and grieved to learn of the death of Fred Whitton, which occurred at his home on Main street, Wednesday, December 24th, after an illness of one week of pneumonia. Frederick Corbett Whitton was born December 12, 1851, at Heath, Staffordshire, England. He was educated at the Abington House school, Northampton, England. After leaving school he entered the great commercial house of Nickle & Company, Gloucester, England, as bookkeeper. Later yard master, remaining with them five years. In 1878 he crossed the ocean to Canada, where he located in the city of Quebec. He engaged with the firm of James S. Skead, of Ottawa, leather merchant, working for them until 1887, engaged during the warmer months as shipper and during the winter with the loggers in the woods. In 1887 he returned to England for a visit of a few months and on his return to Canada he entered the employ of the Railway Car Company, Deseronto, Ontario, remaining until 1892. Since that date he came to the United States and settled in Port Leyden, where he was employed as bookkeeper in the Port Leyden mills of the Quaid Paper Company. He was a member of the Protestant Episcopal church, also of the Ancient Order of United Workmen. He married at Marmora, Ontario, Canada, October 22, 1878, Hester S. Bowen.
