NIAGARA MOHAWK POWER CORPORATION NIAGARA MOHAWK

Only in Ford... Y-8 power

After 23 years of building V-8's, after building more V-8's than all other makers combined, Ford now introduces the new 202-h.p. Thunderbird Y-8*. Whether you drive in mountains, on plains, or through city streets, instant-acting Y-8 power makes all your driving more fun! Also, this new Ford engine has a deep, solidly-built block. As a result, it's a quieter, smoother-running engine with a far greater life expectancy.

Only in Ford... Thunderbird styling

Like the Thunderbird, Ford has hooded headlights, jet-like taillights, a classic lattice-type front grille, and low-to-the-road stance. To match this modern exterior, Ford has created an interior décor that's right up to the last minute. You'll find glamorous upholstery fabrics (combinations including nylons, woven plastics, and vinyls) which are the textile industry's newest and proudest creations. You'll surely want to see them.

Only in Ford... Lifeguard Design

Ford for '56 makes the first major contribution to driver and passenger safety in accidents: Lifeguard Design. Ford's new Lifeguard deep-center steering wheel acts as a cushion on impact—new double-grip door latches give added protection against doors springing open. You can have optional seat belts and padding for the control panel and cushioned sun visors. Put your family in Ford with new Lifeguard Design. You'll be thankful you did.
