

**TOPS News**

yours truly was absent meeting this info will ritten on the report from 'y reliable source. r "Queen" of the week was

Stasia West, very nice, Stasia! Stasia also tied for this weeks "best loser" with Barbara Carroll. Who will be "Queen" next week? Remember fines are

25¢ a pound for a holiday week, so everyone better take it easy!! On display from now on will also be 3 new KOPS pins that belong to Bernice Maynard, Marilyn Korb, and Jean Coffelt. Congratulations girls and wear

them very proudly. We have another new "Gollie" who should have been named last week along with Sally Bendura, as she was a slow, steady loser also, and that gal is none other than Margaret

Gristwood. Sorry I goofed, Margaret, but we all wish you the heartiest congratulations now. Several girls have earned 10 lb weight loss gifts and they will be presented at the end of 3 weeks when they have success-

fully kept this weight off. Names will be proudly announced then. We were very glad to welcome Grace Carroll back to club and she came back wearing a crown. That's a nice way to return, Grace. It seems our smoking problem was solved very well this week as everyone was in clear view. A very big "Thanks" goes to these gals. Thanks, again.

A suggestion made this week will be carried out each week from now on to save time and embarrassment. It seems our "Queen" money has been short several times, for various reasons. As we have two weight recorders the one who is pushing the pencil that week, be she Anne or Marilyn, upon passing you your "emblem" will collect the money, before you leave the weigh-in room thus avoiding any further mix-ups. Problem solved!!

My "Buddy" Estella Ladd was absent as she was busy preparing her holiday dinner to take up to her trailer "Winter Wonderland," but still all was not well because a big mix-up occurred, anyway, something about going hunting?

Any "Kops" who feels she could use some help and encouragement, will be given this upon request, by any "Tops" member to the best of her ability. This request should be made of whomever she feels can be of the most help to her own individual needs.

Condolences goes out to one of our members Anne Egleston, whose father passed away this week.

Committee's have been appointed, menus planned and decorations decided upon, so all should go well for our Christmas Party which will be held December 16, as voted upon by the members. All past members are invited to attend and each member is asked to bring a gift for her "Buddy" and an exchange gift. We will have a separate party for all our "little tots" which will be most ably conducted by our babysitter, Pat Tucker, and a helper of her choice. An exchange gift is requested for this party also, after all, everyone wants a gift. Should be really enjoyable parties.

Susan Wood is in charge of entertainment and I'm sure she will do a good job. She is one of our clever poem writers. Ella Hall is in charge of decorations, a job she usually ends up with because she brings her "Tree." That's how it goes, Ella. However, guess what? We are going to eat all the centerpiece fun, fun.

We have a member who was busy adding up the weight of her children, and lo and behold, their combined weight equals just the amount she has to lose; so as she happily related, she is now busy working on losing the weight of her son, which seems to weigh the least. What more is there to say? See you next week.

# Micro Priced GIFTS FOR ALL

27-PC. Prescut Crystal Design **PUNCH BOWL SET**
