

NEW JERSEY DEMOCRATS.

Resolution to Instruct Delegates For Bryan Voted Down.

Trenton, N. J., April 29.—The state Democratic convention selected a delegation to Denver that is uninstructed except as to voting under the unit rule. A resolution to instruct the delegation in favor of William J. Bryan was voted down.

Former United States Senator James Smith, Jr., who is an anti-Bryan man, was in full control of the convention and succeeded by a large majority in defeating the aspirations of Robert Davis of Hudson county and James E. Martine of Union county, the latter a personal friend of Mr. Bryan's, who counted to go to Denver as delegates-at-large.

Delegates-at-large were elected as follows: Senator John Hinchliffe, Passaic; Frank S. Katzenbach, Jr., Mercer; James Smith, Jr., Essex; Howard Carrow, Camden.

The alternates-at-large, elected by acclamation, are Michael Devine, John Bell, James E. Martine and David S. Craier.

The proposition to have the delegates governed by the unit rule was adopted by a viva voce vote, those favoring the proposition being largely in the majority. This was interpreted at the time as an anti-Bryan movement, as only four of the twenty district delegates were known to be Bryan men. These were the four from Hudson county, where Leader Robert Davis had declared for the Nebraskan.

Just before the convention adjourned and after half the delegates had left the hall former Congressman Allen Benny offered a resolution instructing the delegates to Denver to vote for William J. Bryan's nomination for president. Senator Smith quickly moved to table the resolution and this was done on a viva voce vote.

The convention was presided over by ex-Mayor George A. Viehmann of New Brunswick, who made a vigorous speech.

What Stove for Summer?

Nothing adds to kitchen convenience in summer weather like a New Perfection Wick Blue Flame Oil Cook-Stove. Anything that any stove can do the "New Perfection" will do, and do it better. Bakes, roasts, boils, toasts; heats the wash water and the sad irons, and does it without dissipating its heat through the room to your discomfort. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

actually keeps the kitchen cool—actually makes it comfortable for you while doing the family cooking, because, unlike the coal range, its heat is directed to one point only—right under the kettle. Made in three sizes, fully warranted. If not with your dealer, write our nearest agency.

The **Rayo LAMP** affords a mellow light that is very grateful to tired eyes—a perfect student or family lamp. Brass, nickel plated, hence more durable than other lamps.

If not with your dealer, write our nearest agency. Standard Oil Company of New York (Incorporated)

Perhaps no other garment is of so much general utility as a Rain Coat, and more so if you own one of our Hart, Schaffner & Marx Rain Coat.

You can wear one as a long, dressy, stylish Overcoat, and in damp or rainy weather you'll find it invaluable as a rain shedder.

Hart, Schaffner & Marx Rain Coats and Spring Overcoats. Prices \$15 to \$25.
