

# AT 9:00 O'CLOCK, SATURDAY MORNING, JANUARY 5th,

The doors of the O. S. Osterhout Stores will again be open to the "Alert Money Makers," the "Shrewd Buyers," to a Real Disposal Sale of \$41,000 worth of Good Clothing, at prices and under circumstances and conditions which you NEVER saw nor will you see again in your time of life.

To sell \$41,000 worth of Good Clothing is no Bagatelle—we realize it, we know it—PRICE is the only thing that will do it, and prices are what we depend upon to move it. There will be no mincing matters with this stock. The Big Store will present a lively sight not soon to be forgotten; what's here is to be sold, and sold with a rush, you can depend upon that.

A Change of Firm Means Always a Change of Merchandise. A cleaning out of what's here—that's our case to a letter. Well bought is half sold, and with a sacrifice from Mr. Osterhout to us, and still another sacrifice in price from us to you, offers an opportunity never to be repeated—for you who care to anticipate your Clothing, Hats and Furnishing Wants for months to come. Consult your own interest, it's going, first to come, will first be served.
