END OF A SYRACUSE ELOPEMENT.

The Woman Arrested For Taking Her Husband's Money.

New York, May 6.—Central office detectives yesterday afternoon arrested Mrs. Mary Ellen Gaffey, of Syracuse, who is charged by her husband with grand larceny in the second degree in having drawn $250 of his money from a Syracuse bank and then eloped with a boarder named Charles Becker.

It is said that Mrs. Gaffey and Becker eloped on April 30th, and after a short stay in Cincinnati came to this city, with the intention of stopping with Becker's aunt. After her arrest Mrs. Gaffey admitted taking the money from the bank but claimed that it was her own. She refused to tell why she left her husband, saying that she would return to Syracuse and tell the story of her troubles to court. Mrs. Gaffey will be arraigned in the Center Street Police Court today for remand to the custody of the Syracuse police. Becker was not arrested.

This afternoon Magistrate Simms turned the prisoner over to Sheriff Austin, of Syracuse, and the latter started with her for the train, when Lawyer Moss, of the firm of Howe & Hummell, came up in a hurry and told the Sheriff that Judge Truax had granted a writ of habeas corpus, returnable to-morrow morning. Mrs. Gaffey was then given into the custody of two detectives until to-morrow.

Sprinkling the Asphalt.

Merchants in West First street are objecting to the sprinkling of the asphalt pavement by the street sprinklers. It is said that the wetting of the Warren asphalt with cold water chills it and makes it liable to crack. It is said by the city officials that the asphalt company made it a requirement that the street should not be sprinkled.

Cortland, May 5.—This morning at the home of ex-President of the village, W. D. Tisdale, occurred the wedding of their adopted daughter, Anna Thurston Dowling, to William H. Mr. and Mrs. Plant will reside at No. 188 East Seventh street.

HOUSE FURNISHING.

Grandest Store in Central New York—Come and See It.

You need not buy anything. Just come and see the large and immense stock of furniture, carpets, oilcloths, parlor and cook stoves, crockery, lamps and shades, brass and iron bedsteads, pictures and picture mouldings. We are making no vain boast when we say we have the finest department store in this State. We are but quoting the words of hundreds who have visited our stores, and more astonishing than all are the prices on our goods.

We are not giving away goods but we have them at the very lowest prices, paying cash for them, and we will sell them to you at a cash discount price. If you have got the nuggets you can make your own price. You will save money to buy your goods at home. No use running out of town for any goods we have in our store. We will sell at prices that you want to pay; what more can we say; we contemplated a formal opening of our stores, but the immense crowds that gather at such times would prevent us showing you our goods and giving you prices, so we invite you all to come any day, or Monday and Saturday evenings, and we shall be pleased to give you our time and prices on goods.

We have employed one of the best upholsterers in the country and any one having parlor furniture to reupholster, or any hair mattress to make over will do well to let us call and get them. We do the work at once and charge the lowest price. We have been somewhat slow in getting our work out this Spring, but now are fully settled in our store and can be prompt in doing the work.

Odd Fellows at Wolcott.

Invitations have been extended to all lodges of the Independent Order of Odd Fellows in Wayne county requesting their attendance at Wolcott, on Friday evening of this week, when Grand Master Dubert, of the Department of the State of New York will visit Ontario Shore Lodge, at Wolcott. A banquet will be served in honor of the guest and Odd Fellows from Rochester, Oswego and Syracuse will be present.

Apples and Pears But No Peaches.

The apple orchards in western Wayne are blossoming the fullest this Spring that they were ever known to; a great many farmers are spraying in hope of securing an apple crop this season. Pear trees are blossoming very light and peach trees are nearly all killed, what few did survive are struggling hard to put fort a few leaves.

To Offer a Reward of 100 Dollars

For a case of catarrh that can not be cured, creates the suspicion that the article so advertised is a humbug. Do you know of any such reward being paid? Ely Brothers do not promise rewards in order to sell their well-known "Cream Balm." They offer the most effective medicants, prepared in convenient form to use, and at the lowest possible price, 50 cents per bottle. An honest and effective remedy, which is absolutely free from mercurials or other harmful drugs.
