NORTHERN TRANSPORTATION CO.

THIS COMPANY HAVE MADE permanent arrangements for running their Line of 14 First Class Propellers, of very large capacity, between Ogdensburgh and Chicago, and Cleveland, Toledo, Detroit, Milwaukee and Chicago, connecting at Oswego with the New Oswego Line, and taking Freights and Passengers regularly from Oswego, when bound up, and delivering freight for New York or Oswego regularly when bound down, thus affording to the citizens of Oswego and vicinity, the most ample facilities for quick and regular transport to and from the Upper Lakes.

☞ Passengers moving West with their effects will find this by far the most desirable route, as these propellers are especially fitted up for their accommodation and they avoid the transhipment or handling of their property until it arrives at its destination on the Lakes. Apply to
