Triumph of Genius.

THE FIRST PREMIUM AWARDED TO THE
Willcox & Gibbs' Sewing Machines
At the New York State Fair held at Utica, September 15th, 1863.

THE simplicity and accuracy of its mechanism, prevents its dropping stitches, to which many other machines are liable. One cannot but admire the beauty and accuracy of its movement, and the entire absence of all noise, even when running at the rate of 1,000 stitches and upwards per minute. This alone should prove a great recommendation to it.

Another merit is the good workmanship. The parts are made interchangeable so that in the event of accident to the machine, any part of it can be replaced at a trifling cost. It is said upon an elegant stand, that forms an ornament to a parlor. It is indeed a mechanical wonder, and a "Household Necessity."

The machine is on exhibition at the Jewelry store of J. WENDELL, Sole Agent for Oswego Co.

IMPORTANT
TO ALL INVALIDS.

IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the VITAL PRINCIPLE or LIFE ELEMENT of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

IRON AS A MEDICINE

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP

Is a PROTECTED solution of the PROTOXIDE OF IRON.

A NEW DISCOVERY IN MEDICINE,

that STRIKES AT THE ROOT OF DISEASE by supplying the blood with its vital principle or LIFE ELEMENT—IRON.

The Peruvian Syrup
Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

The Peruvian Syrup
Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

The Peruvian Syrup
Cures Chronic Diarrhea, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

The Peruvian Syrup
Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

The Peruvian Syrup
Is a Specific for all diseases originating in A BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.

From well-known Citizens of N. Y.

The experience which we have had of the PERUVIAN SYRUP, and the evidence which has been exhibited to us of its great success in the cure of many diseases, satisfies us that it is a medical agent of remarkable power, and deserving the attention of invalids.

One element in the restorative power of Iron as a medicine is its magnetic action and the electricity developed thereby.

OLD ESTABLISHED

HOSPITAL

No. 6 Beaver St., Albany, N. Y.

DR. TELLER CONTINUES TO BE CONFIdentially and successfully consulted on all forms of private diseases at his old established Hospital, No. 6, Beaver St., Albany, N. Y. Twenty years devoted to this one particular branch of practice, enables him to perform cures such as no other Physician can; and his abilities are such, "(being in correspondence with the most celebrated physicians of the Old World) of obtaining the safest as well as the latest remedies for these diseases, after inducements to the unfortunate, of a quick and rapid cure, to be obtained at no other office in America.

In syphilis, gonorrhoea, gleet, stricture, enlargement of the testicle and spermatic cords, bubo, ulcerated throat, sore throat, tender skin bones, cutaneous eruptions, ulcers, piles, abscess, and all other impurities of the system, are perfectly under control of the Doctor's medicines, and have been tested in more than 20,000 cases annually with immense success.

YOUNG MEN addicted to secret habits, who have so ruined their health and destroyed the vigor of their minds, thus depriving themselves of the pleasures of married life, are notified that in consulting Dr. J. Teller, they will find a friend to console and a physician who has cured thousands, in almost every part of the United States, who applied to Dr. T. broke down in health, now rejoice in all that makes life desirable and many happy. The readers is, of course, aware that the delicacy of the subject will prevent a more minute description of this terrible disease.

Sent to all parts, under seal, by mail, post paid. The single married and the married happy. A lecture on Love, or how to choose a partner—a complete work on midwifery. Dr. Teller has devoted a life time to the cure of those diseases of which his book treats.

TO THE LADIES.—Dr. J. Teller still retains the only Agency in America for the sale of Dr. Vichel's Italian Female Monthly Pills. The sale of more than 20,000 boxes establishes their reputation as a Female Remedy, unapproached, and far in advance of every other medicine for stoppages, irregularities, and other obstructions in females.

CAUTION.—Married ladies, in certain delicate situations should avoid their use. For reasons, see directions which accompany each package, for the guidance of patients. On the receipt of $1, (the price per box) these pills will be sent by mail or express, to any part of the world, secure from curiosity or damage. Office hours from 8 A. M. to 8 P. Pure Grape Wine.

SPEER'S SAMBUCI
OR
PORT GRAPE WINE
VINEYARD, PASSIAC, NEW JERSEY.
PURE, AND FOUR YEARS OLD.

For the Communion Table.
FOR FAMILY USE, AND FOR MEDICAL PURPOSES.

This is an article of Wine from the pure Port Grape Juice, fermented, without the addition of spirits or any liquors whatever. Has a full body, rich flavor, and is slightly stimulating. None is disposed of until four years old.

The beneficial effect derived from its use is astonishing thousands, and cannot be realized from other wine, nor from the thousands of Patent Bitters now crowding the market.

All who try it express their surprise that so delicious a Wine is produced in this country, and that it is so far different from what they had expected.

Some who have called it nothing but a berry wine, after using or knowing it was the pure grape juice, and thinking it was a berry wine, have found out their mistake, and now lay their lives to the use of this Wine.

Excellent for Females and Weakly Persons and the Consumptive.

A great remedy for Kidney Affections, Rheumatism, and Bladder difficulties.

Try it once, and you will not be deceived.

Be sure the signature of ALFRED SPEER is over the cork of each bottle.

MORTGAGE SALE.—Whereas Franklin Hull, of Fulton, in the County of Oswego and State of New York, did execute a mortgage with power of sale unto Sands N. Kenyon, President of the Citizens' Bank of Fulton, of date the 29th day of December, 1855, and recorded in the Clerk's office of Oswego County, December 29th, 1855, in Book 40 of Mortgages pages 18, 19 and twenty, conveying all that certain piece or parcel of land described as being the north half of the residue of Lot No. 98, of Scriba's Patent, in the county of Oswego and State of New York, after deducting two parcels as follows: one parcel containing twenty acres, and one parcel containing one acre—the twenty acre parcel is mentioned and described in a deed from Jeremiah Hull and wife, and Dennis Hull and wife to Martha Ferris, of date Nov. 26, 1836, and recorded Dec. 2, 1836, in Oswego County Clerk's office, in Book 13 of Deeds, page 155,—which twenty acre parcel, is described as being twenty acres in the north-east corner of Lot No. 98, 15th township Scriba's Patent, being forty rods on the north line of said lot, and eighty rods on the east line of said lot.—The other parcel is a one acre parcel, described as being one acre of land on lot No. 98, of the 15th township of Scriba's patent, adjoining the above described twenty acres on the south side, and is eight rods in width on the east line of said lot No. 98, and twenty rods deep. The parcel hereby conveyed would seem to contain but fifty-six and one-fourth acres; but upon actual survey the original lot was found to over-run, and hence the parcel hereby conveyed contains sixty acres, and whereas, said mortgage has been duly transferred and assigned to the subscriber, who is now the lawful holder and owner thereof. And whereas, default has been made in the payment of the money secured to be paid by said mortgage, by which the power of sale therein contained has become operative; and there is claimed to be due and unpaid thereon at the date of the first publication of this notice, the sum of nine hundred and eleven dollars and ninety cents, being the whole amount unpaid on said mortgage with interest. And no suit or proceeding at law or in equity has been instituted to recover the debt remaining secured by said mortgage or any part thereof. Now, therefore, notice is hereby given, that by virtue of the power of sale in said mortgage contained, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the above described mortgaged premises at public auction, at the law office of Pardee & Cryaler, in the village of Fulton, on the 13th day of February, 1865, at 10 o'clock, in the forenoon of that day. E. W. HULL, Assignee.
Pardee & Cryaler, Attorneys, Fulton, N. Y.
Dated November 21, 1864-dlaw12w

MORTGAGE SALE.—Whereas John Kline and John Smith, (sometimes called and known as John Schmid) by their certain indenture of mortgage bearing date the 7th day of June, 1843, as security for the payment of two hundred and forty-five dollars and interest, duly mortgaged to Lucius B. Crocker and George Deming, "all that certain tract or parcel of land, being part of lot number twenty-five in the seventeenth town-ship of Scriba's patent, bounded northerly by the Hall Road, so called; southerly in part by the eastern limits of the corporation line of Oswego (East) and in part by the eastern line of lot number three in said township and patent, being of triangular form, and the same as recently occupied by Ira Farmer, and conveyed by James Lyons and wife to said Deming and Crocker, the 16th day of May, 1837, containing six acres of land, be the same more or less," which said mortgage, with the power of sale contained therein, was recorded in the office of the Clerk of Oswego County, on the 29th day of June, 1844, in book U of Mortgages, page 110; and the amount claimed to be due and unpaid thereon, on the day of the first publication of this notice, is four hundred and twenty-six dollars and ninety-three cents, and no proceedings at law have been had to recover the same or any part thereof.

And whereas, default has been made in the conditions of said mortgage, by the non-payment of the moneys therein and thereby secured, by which the power of sale therein contained has become operative; now, therefore, notice is hereby given, that by virtue of the power of sale contained in, and recorded with the said mortgage, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the land described therein, at public auction, at the law office of Grant & Allen, in the Third Ward of the City of Oswego, on the 6th day of April next, at ten o'clock in the forenoon of that day.
