firm has the circulation of Mr. Rowell's  
stories as about fifteen thousand copies  
each.

cept the presidency of the National Old  
Association. It is thought that he will  
do so.

million dollar house in Chicago.  
The president's sister, Mrs. McKelroy, to

city while the man thus honored still  
lives.

walking stick made from the oak tree  
under which Wesley reached his first  
sermon in America in 1735.

Pa., endeavoring to recover her health.  
Later in the season she will give dramatic

**SPORTING NEWS.**  
THE STUN.  
The sweeping pugilist chas-  
ing of the evening has been  
occupied by Capt. Bogardus who pro-  
posed to shoot at 100 paces at Louisville,  
Ky., between February 1st and 10th, for  
\$1,000 to \$2,000 a side and the  
winner to receive a gold watch. The  
winner will be three other matches, viz.  
100 double birds, ground trap, 21 yards  
and 100 birds, Burlington, at 30  
yards, for \$200 to \$300 a side each.  
Bogardus also offered to shoot at 100  
yards and 500 half single and half  
double. Carver to name the amount to be  
shot at.  
At Utica yesterday the Tenkers club  
defeated the Utica Curling club by a  
score of 55 to 54.

**EXECUTIVE PERSONALS.**  
Albany Journal.—The governor at a  
close student of the newspapers.  
Considerable disappointment is expressed  
over the determination of the gov-  
ernor to visit the city in person, and  
to appear in uniform at the club reception  
to-morrow night.  
Governor Cleveland carries his hatred  
of ostentatious display into his religious  
devotion. He said to have asked for  
each sack of wheat in the Fourth Pres-  
byterian church.  
It is understood that governor Cleveland  
will give a "tag" reception at the execu-  
tive mansion with one seat for right to  
the state officers, members of the legisla-  
ture, and prominent citizens. No gen-  
eral reception at the executive mansion  
are anticipated this winter.

**TRADE AND LABOR.**  
In Richmond, Va., Cornington & Becker,  
wine and commission merchants and large  
distillers, have failed. Their  
liabilities are \$125,000. It is said that  
they will pay 75 cents on the dollar.  
The partners at the Motely division,  
Jersey City, refused to pay last night, their  
salaries not having been paid. The man-  
ager of the Motely was not sufficient to  
pay the salaries and a riot ensued. The  
box office was torn to pieces and the man-  
ager and treasurer were arrested.

**PROOF EVERYWHERE.**  
If any invalid or sick person has the  
least doubt of the power and efficacy of  
Bogardus' Tonic, let them try it. They can  
easily see the effect of it in their own  
neighborhood, with proof-positive that  
it can be easily and permanently cured  
at a trifling cost—or ask your druggist  
or physician.  
GREENWICH, Feb. 11, 1880.

by the doctors to die of scrofula consumption.

**KIDNEY-WORT**  
HAS BEEN PROVED  
THE SURE CURE FOR  
**KIDNEY DISEASES.**  
Does a lame back or disordered  
urine that has not been cured by  
other means, or that has returned  
after a temporary cure, need it? Will  
it overcome the disease of the kidney?  
If so, it is the only medicine that  
will do so. It is the only medicine  
that will cure the disease of the kidney.  
It is the only medicine that will  
cure the disease of the kidney.  
It is the only medicine that will  
cure the disease of the kidney.

**POLITICAL NOTES.**  
A man who recently died in a  
Dublin institution while in detention  
constantly spoke of man he murdered. It  
is supposed that he was one of the Phre-  
nology men.  
Five hundred applications have been  
made to the board of guardians of wayward  
children to emigrate. A steamship  
line offers to bring the emigrants direct  
to America at reduced rates.  
The government finally authorizes the  
removal of the remains of Dr. Lyons, and his  
comrades by way of Frankfurt or Osnabruck.  
The remains will be transported by way  
of Livorno.  
Accounts from Constantinople state  
that there was an effort on the part of  
the two regiments of the palace guard,  
one composed of Albanians and the other  
of African Arabs, between whom bitter  
hereditary jealousy exists. About 60 of  
the combatants were killed and wounded.  
There was nothing political in the affair.  
A strong brig of four named Dutch has  
been sentenced to two years in the fortress  
for killing Capt. Emmerich in a duel.

**THE LAW OF KINDNESS**  
is universal, it affects all the human fam-  
ily, all animals, and may be even found  
in patient machines. Some are drastic,  
and the patient is obliged to suffer pains  
worse than the disease; but in cases of  
obstinate disease, Dr. Dye's Tonic is  
not only a kind, but gentle in its effects  
and has an antiseptic, as Blandford Blood  
Purifier. Price \$1.

after trying dozens of patent prepara-  
tions, I have found that your

color and growth. I have used  
your Lard Oil for three months, and
