COMMON COUNCIL

Interesting Proceedings—Important Amendments to the Rules—General Topics Discussed.

The Mayor presided at the meeting of the Common Council last evening. A number of petitions were presented, among which was one from the Leather-stocking Game Club petitioning for sun-umbrellas, etc., within the city limits, so far as the said West Main street, for the streets about east spring. The rules were suspended and the petition granted.

Among the accounts was a large bill from the Gas Company. On that subject Ald. Rhodes said the large bill was mainly for putting down connections, at 90 cents per foot. In making up this bill it turns out that in cases where long stretches of pipe were laid, and the labor there being less than where there are frequent joints, they have also laid these long mains in some cases, worth 60 cents per foot, and charged them at 90, the company reserving the right to tap them for consumers. He thought a deduction of about 10 cents per foot, for the whole distance, would be about right. He also explained other features of the gas bill.

On motion of Ald. Phelps, the bills were laid on the table till the next meeting.

Ald. Edmond reported the state of the street fund: Drains, \$14,738.53; remaining to the credit of the fund, \$2,223.33; drains on account of bridge, curbs and cross-walk fund, \$7,061.60; balance to credit of the fund, \$1,057.67. Accepted and Read.

The Street Commissioner's report of expenses from Nov. 1 to Dec. 1 was submitted as follows: East side, \$284,236; West side, \$278,477; bridges, curbs and crosswalks, \$1,068.12; Board of Health, \$222.81; total, \$1,851.76.

The rules were suspended and a vote taken on allowing the bill of \$1,851.76. Ald. Fort and Quance voted no. Yes 8, says 1.

Ald. Rhodes moved that the vote be reconsidered, which was carried.

Ald. Rhodes moved that an order be drawn for \$1,850; in his estimation, they had a right to draw the amount of the fund for the year; \$1,850 would be less likely to interfere with that than \$1,900.

Ald. Edmond didn't see what this was done for—to injure him or the bank. He claimed that the amount reported to-night is the fund.

Ald. Fort thought the bill ought to be sent to the Committee. To allow \$1,900 would leave only about \$400 in the fund. He thought other bills were to come in.

The Mayor suggested that there is complaint about the condition of the lower bridge, and some money will have to be expended there during the winter.

Ald. Edmond said he didn't see the use of making this amendment when the money is in the fund; \$1,900 will not pay the bill; he didn't want to be hounded to death. The money can be got at and he would have it if it cost the city \$5,000.

Ald. Fort amended, that the whole amount be allowed and Ald. Rhodes thereupon withdrew his amendment and the amount of the charge was allowed.

Ald. Rhodes introduced a resolution that a committee of five Aldermen be appointed to confer with the citizens' committee about amendments to the charter, and made an elaborate and striking address upon the condition of the city funds, suggesting also remedies for existing defects. The address being too long for the day's session, will be printed entire tomorrow.

On motion of Ald. Murray, the address of Ald. Rhodes was ordered printed in the Palladium.

The resolution to appoint a committee of five to confer with the citizens' committee was carried and the following were named:

Ald. Rhodes, Edmond, Phelps, Quance and Richards.

On motion of Ald. Edmond, the Mayor was added to the committee.

Ald. Rhodes presented an addition to the rules of the Common Council, requiring that every bill of accounts presented shall be printed by news in the city paper before being acted upon by the Common Council, the object being to give the public a chance to examine the accounts.

Two thirds of the Aldermen not being present, the matter was laid over till next meeting.

Resolutions were introduced:

By Ald. Quance—Granting salaries of city officers. Adopted.

By Ald. Rhodes—Granting orders for frames' dues to Jan. 1, 1914. Adopted.

The clerk presented official certification of the proceedings of the citizens' meeting. Accepted and ordered printed.

The committee appointed to appraise and assess damages for opening West 2d street southward, reported. The appraisal of damages is: To G. M. Burt and J. A. Wilson, \$634.15; to Ann Wilson and John A. Wilson, \$634.15. Accepted, filed and ordered printed.

Notice was ordered printed that the assessment will be confirmed at the meeting four weeks hence.

Ald. Edmond moved that the City Attorney report the condition of the suit against City Treasurer Allen.

Ald. Edmond said he was told that it had been returned to Mr. French, of Mexico, who had heard nothing of it.

Adjourned.

Some Questions About the Reform Meeting—Another Meeting Wanted.

It is interesting to note that at the meeting of taxpayers last Friday evening, no Democrats were invited or allowed to speak! Are the Democrats of the city not interested in reform, in the reduction of our burdens? You, perhaps, noticed that all the calls for speakers came from or were started from a particular part of the hall, which said corner appeared to be run by an ex-Mayor, who did not know what the duties of the health physician are, although by virtue of his office as Mayor he was chairman of the Board of Health for a year.

During the evening an individual made the remark: "Why don't they call a Democratic meeting?" He was silenced by the reply of a Custom House officer: "Damn it—this is a Republican meeting, there ain't no Democratic here." Now, Sir, I am glad if I should get some coverage for my issue, who are not satisfied with that meeting. If we are to have a real reform, let all classes of citizens have a chance to ventilate their views. If you think reform will come by putting politicians on reform committees!

Can we not get a committee who will better serve the public than those who have not the right to be around in the first place? We are all interested in this matter.

I might say I write this in fear and trembling, for I am sure some coverage for an ordinary individual, or one not so certain particular individuals, (I don't say I'm afraid of them, but I am sure they will be afraid of me, if I don't say so.) I am sure they will be afraid of me, if I don't say so.

It is closing I would say I and many others would like to hear the opinion of some of the points to be around in the first place. We are all interested in this matter.
