Scout Council Suspends

The Madison County Boy Scout Council, due to shortage of funds, will suspend active operations Saturday, according to announcement made Friday by the chairman, Albert E. Campbell. The 1935 campaign was but 50 per cent successful. J. E. Swift, executive, will take a position in Syracuse.

AT THE THEATRES

Stars Katharine Hepburn.

Striking in characterization and vibrant with human interest is Alice Adams, at the Strand Saturday, Sunday and Monday, starring Katharine Hepburn. The story is that of a young girl in a small midwestern town, ambitious to climb out of poverty and social ostracism. It is an adaptation of a novel by Booth Tarkington.

Has New Role.

Warner Baxter outshines even his Circo Kid in Under the Pampas Moon, Capitol attraction for Saturday only. He portrays an Argentine gaucho who can ride, throw the boleadora, sing, dance and woo the ladies more proficiently than any of his comrades. Ketti Gallian, star of Marie Galante, costars with him.

ENNA JETTICK PARK 1935 SEASON

It is estimated by the management that far more then half a million people have visited Enna Jettick Park during the 1935 season. It has unquestionably been the greatest season in the park's history. It has truly been the outstanding playground of Central New York and the Finger Lakes region. The park has been lavish in its program of entertainment.

The people generally, in this whole region, will learn with deep regret that the park will close the 1935 season on Tuesday, September 3, and will visit the beautiful park as often as is possible during the remaining days of operation. Doubtless Labor Day will be a gala day at Enna Jettick Park.

Oswego guardsmen went through the mimic war without casualties of any kind, and came back safely. Not a case of sickness was recorded in the company of 50 men and three officers. Several members of the company were unable to get away from their work for the training period which accounts for the absentees.
