

**POLITICS NO PINK** — But there is plenty of opportunity to mix politicking and picnicking as these three gentlemen will attest. Pictured are State Sen. H. Douglas Barelay (who's running uncontested again this year), Oswego County Republican Chairman Charles Ely, and Town of Oswego Legislator Herb Van Schaack, who used to be a Democrat. The three were discussing the ongoing election year campaign at last Saturday's GOP chicken barbecue at Regan's Silver Lake. (Photo by Laurie Arden McCarry)

## Local Briefs

### Parish Planners To Survey People

**PARISH** — The Planning Board and Conservation Advisory Council is planning to survey town and village residents to determine what types of economic development are needed in the community. More information on the survey is expected at the board's September meeting.

The planning board held an informal July meeting because a quorum was not present. Members attending the monthly meeting were Eleanor Cusack, Fred Swartz and Harold Deane. There is still a vacancy on the planning board. Interested persons are asked to attend the next planning board meeting, scheduled for Sept. 6 at 8 p.m. at Pat Ely's house.

The planning board is also looking for community residents interested in developing a historical program for the town. Eleanor Cusack will try to have a representative of the Oswego County Historical Society speak to the group in September.

The planning board has requested the planning board to look into proposed private airport in the town. Rural aide Donald Anderson has requested assistance from the Town Planning Commission. Eleanor Cusack will report on the private airport at the next meeting.

### Fair Haven Bay Assoc. To Meet

**FAIR HAVEN** — Colonel Edgar Denton, lifelong resident of Fair Haven and retired West Point professor, will speak on the history of Fair Haven at Friday's meeting of the Bay Development Association. The meeting, which is also the annual meeting, will be held at the Fair Haven Yacht Club at 7 p.m.

Members of the nominating committee for the selection of Fair Haven officers include Maurice Keete, Henry Spang and Fred Denton.

The community weed harvester finished operating in the bay July 2. Both ends of the bay and Meadow Cove were harvested. Insecticide was expected to be applied last week. As usual, the Association finances the application of insecticide using a property equipped raft and the same personnel including a certified applicator.

George McGivney reported that over 1,000 flares were lit for the Wall of Fire as part of the Fourth of July celebration. The Association wishes to thank the many residents who participated.

### Ice Cream And Silent Films Set

**MEXICO** — The Mexico Historical Society will sponsor "In the Good Old Summer Time," an ice cream social and silent film festival Aug. 9.

The evening ice cream social will be held at the home of Mrs. E. J. Foster, corner of Spring and Jefferson Streets, from 7 to 9 p.m. Friendly's ice cream, toppings, lemonade and soft drinks will be served. Live entertainment and an exhibit of antique cars are also planned.

At 8 p.m., the film festival next door in the Wilcox Memorial Building. Silent film stars Mark Sennet, Charlie Chaplin, Will Rogers and Mary Pickford will be featured.
