# ANOTHER KICK AGAINST BELL CO.

FARMLINE PRESIDENT CLAIMS BELL COMPANY MAKES EXORBITANT PROPOSITION.

Hannibal, April 28, 1911.

To the Editor of the Times:

In Tuesday's paper I read of an independent telephone company to be formed as a protest against the raise in rates by the New York Telephone company. Three farmers' lines that connect by switch board at Southwest Oswego have been trying to get rates with the above named company for at least ten years. Of course the amount of business would be small but, the last proposition submitted by the N. Y. T. C. would mean $550 in five years on an outlay of not to exceed $110.00 and a total rate of five cents per message plus free use of the farmers' lines. The toll rate is twice what it ought to be without the other charge. All of which goes to show that the young Jew who defined profit at 200 per cent. didn't know what he was talking about. "It's as easy to rob a man in his own house as it is in an alley." That ought to be on Manager Ackles' door mat.

I am,
Issac W. Hallows,
Pres. S. W. Oswego Tel. Co.

## General Weather Conditions

Oswego, N. Y., April 28th 1911.

No changes has occurred in the Northeast section, where the weather continues warm and generally fair, with light Southerly winds predominating.

From Rochester Westward to the upper lakes the weather remains generally cloudy and warm, but rain has apparently just set in over the Western portion, and, while the winds still continue light Southerly over most of the lake region, they have shifted to North and Northeast over Lake Superior.

An increase of pressure over the Northwest, Montana, and the Dakotas has been attended by a decided fall of fifteen or more degrees in temperature in the first two localities, and snow is now falling over portions of Montana.

Cloudy showery weather continues in the Central valleys, and thunderstorms occurred during the night from Kansas Northward to the Canadian Northwest.

The rains have ceased in the Gulf States, but the weather remains generally cloudy, and it is slightly warmer in the Western portion. The precipitation was heavy over portions of Georgia during the past twedty four hours

# PULASKI

GOLDEN WEDDING ANNIVERSARY

Pulaski, April 28.—Fifty years ago to-day Mr. and Mrs. Henry B. Whitney were united in marriage in this village and this evening they will quietly observe the golden wedding at their home in North street, where they will receive their friends from 6 to 9 o'clock. A year after their marriage Mr. Whitney went to the front with the soldiers of Oswego County and served three years. Mr. Whitney is an active member of J. B. Butler Post No. 111, G. A. R., and a past commander of that organization of old veterans.

Mr. Whitney was born in the town of Albion, May 2, 1838, and has for many years followed the trade of a skilled wagon maker. Mrs. Whitney was born in this village Sept. 22, 1840, and is therefore two years the junior of her husband. Both are hale and hearty. They are members of the First Methodist church and Mrs. Whitney is identified with the missionary societies of that church and she is also a past president of J. B. Butler Women's Relief corps. Of the three children born to Mr. and Mrs. Whitney two are still living, Hon. Frederick G. Whitney, of this village, and Ernest A. Whitney of Syracuse. Mr. and Mrs. Whitney have a wide circle of friends in this village who join with the Times in extending hearty congratulations.

# LOCAL BOWLERS DOWN SYRACUSE

SCHILLING'S STARS TAKE TWO MATCHES FROM STRONG SALINE TEAMS.

Pete Schilling's Pets cleaned up for two star Syracuse teams at Syracuse last night. They first invaded Gray's alleys and took Gray Hummers into camp by a score of 2,679 to 2,476. Then they shifted over to the Syracuse Amusement Company alleys and trounced Shyne's Whirlwinds by a score of 2,529 to 2,440.

Bill Cochrane the local champion made the Syracusans' eyes pop by his brilliant rolling. He made the high score of the night 268 on Gray's alleys and finished this game with a total of 642. He started off well on the other alleys scoring 215 but dropped off in the final game. Bill Hulse and Brigden also rolled two excellent games scoring 207 and 206 respectively. ## Have Beautiful Hair

Soap and water if used too frequently will spoil any head of hair. The best hair treatment is a dry shampoo made as follows. Get six ounces of pulverized orris root and two ounces of vilane powder. Mix thoroughly and keep in a tight box or jar. At night apply a heaping tablespoonful to the hair, distribute with the fingers all through the hair to the scalp. Next day comb and brush until all trace is removed and as a result any man or woman will have beautiful fluffy hair.

This removes dirt, surplus oil, dandruff, etc. It is the best thing ever devised for excessively "greasy" hair.

Many easterners now use it regularly. Men use it daily and ladies one to three times a week.

# REBEL BOATS AT CANTON, CHINA

DISAFFECTION AMONG GOVERNMENT TROOPS CREATES GRAVE SITUATION — BRITISH VESSELS WARNED AWAY FROM CANTON.

Hong Kong, China, April 28.—The discontent with the ruling dynasty was fanned into flame today, and fierce fighting between loyal troops and rioters is reported from Canton. Following a desperate conflict the rioters managed to sack the residence of the viceroy after which they burned it. Admiral Li with a party of picked men attacked the rioters and managed to disperse them after killing several of the leaders. The mob fled only to later reform and renew the conflict. The gates of the city are now closed and the government has seized the telegraph offices. No news of actual conditions is now permitted to be sent.

The revolutionists were well armed with rifles and also had quantities of high explosives. Government spies had tipped off the plans, however so that the government was able to retain possession of the military and naval depots. This greatly disheartened the rebel leaders who had hoped to secure additional arms and ammunition with which to equip the recruits to their ranks.

A telegram received from the British Consul in Canton by Sir Frederick Lugard, governor of Hong Kong before the censorship was ordered, said that the situation was grave. He asked that all British vessels en route to Canton be held here at least for 24 hours owing to the dangercus conditions. The harbor authorities acted promptly and announced that clearance papers to all ships bound for Canton will be withheld pending the arrival of further advices.

Discontent and anarchy have prevailed in Canton for a long time. The soldiers are disaffected and their officers do not dare trust them. Officers, well armed, have been stationed at the gates of all of the army and navy depots and have announced they will shoot down any soldiers who do not appear to be do

## OBITUARY

### Gertie Everts Wadsworth.

The death of Gertie Everts Wadsworth occurred at the home of her sister in St. Paul, Minn., April 16th.

Mrs. Wadsworth's health had been failing during the past five years but it was not until a few months ago that her condition was considered serious. In January she was taken to the home of her sister in St. Paul, in the hope that the climate might be beneficial to her. Kind hands ministered to her, but she failed gradually until the end came.

Her fine Christian character and sunny disposition endeared her to all her friends. Mrs. Wadsworth was the daughter of the late Mr. and Mrs Jaboc Everts and was born in Granby, March 13, 1875. On October 20th, 1898, she was united in marriage to Marcus N. Wadsworth of Minetto, and of this union were born two children, Millard, aged nine, and Dorothy, aged six years. She leaves to mourn her loss her husband, her sister, Mrs. Frank Moore, and a wide circle of friends.

The funeral services were held at the Minetto M. E. church, of which she had been an active member for fifteen years, and were conducted by Rev. C. F. Miller. Burial was in the family plot at Mt. Adnah, Fulton. The floral offerings were beautiful, several of them being from friends in St. Paul. The sympathy of the entire community is with her relatives and friends.
