

# Waiting For Your Answer

That boy who has given so much for you, waits tonight behind the lines for your answer.

His thoughts wander back home to the place he loves so dear, and his one thought now is, "Will they go over the top for us?"

SEND HIM THIS MESSAGE---

## Oswego Is With You, Laddie A MILLION DOLLARS AND OVER!

LET THE NAME "OSWEGO" BE WRITTEN IN GOLDEN LETTERS ON THE COUNTRY'S HONOR ROLL WHEN THIS DRIVE IS OVER.

And it will be if every man and woman in this city will buy all the Liberty Bonds they can.

Don't buy a Fifty Dollar Bond when you can afford a Hundred—Don't hide your patriotism behind a Hundred Dollar Bond when you would never miss Five Hundred—Don't let the man who toils in the factory light the way for you with his wonderful record here in Oswego, while you work in darkness trying to see how small a bond you can buy—

IF YOU HAVE BOUGHT A BOND  
BUY ANOTHER ONE!

**DON'T WAIT! DO IT NOW!**

If you have not already subscribed, go to any of the banks or Loan Associations—they will take your subscriptions and you can arrange to pay for these bonds—in cash, partial payments or on the weekly payment plan—your Bond will earn you 4 1-4 per cent. interest and you will have done your duty in this great crisis.
