MOTOR FIRE TRUCKS COLLIDED YESTERDAY

STREET CAR IN EAST BRIDGE AND FIRST STREET WAS RESPONSIBLE. The motor fire trucks came near having a serious collision yesterday afternoon when responding to the alarm of fire from the box at the Rich Jackson Theatre building...

The right forward mudguard and wheel of No. 1 caught the rear of No. 3, tearing off part of the foot board and fender and scratching up both trucks. The two machines continued to the fire which was in a small shed at the rear of Hogan's livery in East First street.

Credit for averting a more serious accident is due to the drivers of the two trucks, Jeremiah Collins of No. 3 and Frank Walker of No. 1. They were cool in danger and when they saw that an accident was unavoidable swerved the machines so that they only sideswiped instead of going into each other head on.

JEWISH NEW YEAR WILL BE CELEBRATED MONDAY SEPTEMBER 13. On Monday, Sept. 13, the festival of the New Year (Rosh Hashanah) will be observed by the Jews of the entire world.

The festival of the New Year is one of the most important in the whole Jewish calendar. It is the first day of a series of holidays lasting nearly a month. It is likewise the beginning of the Jewish year and one of the principal features is the blowing of the Shofar, or ram's horn, a part from the joyful and festive nature, Rosh Hashanah has high moral import and significance. The fact that it is the beginning of the New Year lends it special sacredness. It is the time of higher resolves, the turning point of the year. It is the day which brings home to the Jew with great force the lesson that this time is short and the work is great, and that as each year rolls quickly by, the task must be accomplished within a shorter period.

Today's Events. Centenary of the birth of George Hearst, California mining magnate and United States Senator.

One hundredth anniversary of the death of Benjamin H. Latrobe, the architect who finished the National Capitol in Washington.

WOMAN OFFICIATES AT NOVEL WEDDING SERVICE

London. (By Mail.) - A new fashion in weddings lately introduced gives the woman ecclesiast an opportunity to officiate. The lovely was provided by the marriage of Douglas Shenton, the author, to Miss Christian Dorothea Duthie. The actual wedding contract was signed and sealed in a registry office - or marriage license bureau - and afterwards in Shenton's garden, the guests were invited to hear "an address by Miss Marie Royden." Under a tree Miss Royden held a service in the presence of the married couple and invited guests and of terrified read, as she styled it, "the finest poem on love in the world." (I. John, Chapter 4.) Then followed a short address having for its theme family love and the position of legs in the world, the proceedings being closed with the Lord's Prayer and the benediction. Miss Royden, who it will be remembered presided at Glasgow during the Women's Congress, was in company and hirsute, but the remaining guests had been notified "No presents; no wedding gratuities." The bridegroom is in his 65th year, but the bride is well under thirty.
