STUDIO OPEN SUNDAYS

OLD HOME WEEK ENDS TO-DAY.

VETERANS' REUNION YESTERDAY WAS A BIG SUCCESS—PRAISE FOR BAND.

PULASKI August 13.—The celebration of the hundredth anniversary of the settlement of Pulaski and the Old home Week were brought to a close to-day, the only event being a ball game between the All-Oswego's and Pulaski Athletics, which is in progress this afternoon. Many of old home comers will remain in Pulaski some time. The celebration has proved a marked success in every particular. The Third Battalion Band of Oswego returned to the city last night and it was with reluctance that Pulaski parted with the superb musical organization. The band gave a concert in South park yesterday afternoon and last evening, which was enjoyed in the highest degree by a large crowd.

At the business meeting of the three Regimental Reunion associations, held yesterday in connection with the celebration, officers were elected as follows:

24th—President, J. W. Youngs, Sandy Creek; secretary and treasurer, Thomas Cole; chaplain, M. G. Cooper.

110th—President, George R. Lester of Oswego; first vice president, George Aird of Mexico; second vice president, Isaac M. Fancher of Altmar; secretary, Henry B. Whitney of Pulaski; treasurer, Emery Samson of Oswego.

117th—Honorary President, James Coey of California, president, Aaron N. Burr of Pulaski; vice president, John Lewis of Parish; secretary and treasurer, Alfred N. Beadle of Oswego.

The centennial celebration has proved a marked success in every particular.

Man About Town

A number of gentlemen were discussing the few people that spend their vacations at summer resorts. It was stated there were a good many people at the various hotels, but nothing compared to a few years ago. One of the party remarked that the automobile was the cause of the changed conditions. The auto can travel a few miles in a day and instead of anchoring in one place during vacation time, a whole lot of territory can be covered and the trips found interesting. Where formerly a few weeks were spent at some resort now a few days will suffice and then move on to some other place. The excursion boats at the Islands are doing a thriving business, especially on Sunday, but the majority of people do not stay for any length of time. It is so with other resorts and it is nothing to see fifteen or twenty autos drawn up at a summer hotel for a day's outing, but return to their homes the same day.

x x x

People nowadays want a change and a little excitement and that is readily obtained with the auto. A good deal is read about the joy machine being so fascinating that many people mortgage their homes to enjoy this amusement. There may be some people who would be likely to do this if they needed the money, but perhaps the the talk is greatly exaggerated.

x x x

Speaking of resorts there was talk the past week about a summer park to be built on the lake shore by the trolley management. Four Mile Point and its sandy beach was looked over as well as Beach Oswego. When such a resort is built then people residing inland can take a trolley ride to Oswego and see a "real lake" and many other attractions. The cool breezes from Lake Ontario which are enjoyed so much in Oswego will then be shared by summer visitors and people looking for a vacation. A number of new cottages have been erected at Beach Oswego this summer and a greater number will be built next season. Anyway you look at Oswego progress is written. The "Boulevard Hill" with its imposing new Normal school will be a splendid point from which to look upon the city. The property in the vicinity of the new school will soon be filled with modern residences. Watch Oswego going ahead.

A novel "Evening Musical" was given by three young ladies on Oak Hill one night this week. The hurdy gurdy man with his movable music stopped in front of the house where the ladies were sitting on the porch. The girls got busy and went out in the road and then the concert commenced with the three girls turning out some of the finest music ever heard on the hill. They had the "professor" of the music wagon beaten many ways by the tunes they gave the large audience which enjoyed the novelty of the ladies rendering in an artistic manner the favorite ballads "Rings on Her Fingers" and Bells on Her Toes," "The Old Grey Bonnett," "Has Anybody Here Seen Kelly" and many other popular songs.

x x x

An Oswego lady was making "cookies" the other day and while she was preparing them she was called to the phone and got interested in the information that came over the wire. She went back to her dough and never thought about not putting baking powder in the "cookies" until she was taking them from the oven. Any person desiring the recipe and the "cookies" are welcome to them.

THE OFFICE BOY'S PHILOSOPHY OF LIFE.

Did it ever occur to you that a man's life is full of crosses and temptations? He comes into the world without his consent and goes out against his will, and the trip between is exceedingly rocky. The rule of contraries is one of the features of trip.

When he is little the big girls kiss him; when he is big the little girls kiss him. If he is poor, he is a bad manager; if he is rich, he is dishonest. If he needs credit, he can't get it; if he is prosperous, everyone wants to do him a favor.

If he is in politics, it is for graft; if he is out of politics he is no good to the country. If he doesn't give to charity, he is a stingy cuss; if he does, it's for show. If he is actively religious, he is a hypocrite; if he takes no interest in religions, he is a hardened sinner.

If he gives affection, he is a soft specimen; if he cares for no one, he is cold blooded. If he dies young, there is a great future for him; if he lives to an old age, he missed his calling.

LIFE CONSISTS OF ONE DARNED THING AFTER ANOTHER.

If you save money, you're a grouch,
If you spend it, you're a loafer,
If you get it, you're a grafter,
If you don't get it, you're a bum.
So what's the use?

GENUINE ECZEMA REMEDY.

New Remedy That Cures Eczema Quickly.

Butler Pharmacy has sold hundreds of jars of Hokara in the last few weeks, and although they offered to refund the purchase price to any dissatisfied purchaser, not one jar was returned.

While this is surprising in itself, yet the most marvelous thing is the reports of chronic cases of eczema that have been cured by this simple skin food. People who have suffered with scales, scabs and even bleeding itching have found relief in Hokara.

No matter where the eczema, pimples or other breaking out occurs, whether on the face, hands, legs or body, the application of Hokara will give quick relief, and even the worst or most chronic cases will be cured in a short time.

You can buy a liberal-sized jar today at a very low price, 25 cents and with every package goes a guarantee to refund the money if it is not satisfactory. Larger size 50 cents.—Butler Pharmacy.

If the skin disease is caused by impure blood or if the bowels are inactive, use Hokara Blood Tablets. They cool and cleanse the blood and regulate the bowels in a natural way.
