USE NEWBRO'S HERPICIDE IN TIME AND YOU WON'T NEED ANY FALSE HAIR

Wearing artificial hair is a harmless deceit of which many ladies are guilty. These women are all objects of sympathy rather than criticism.

Early neglect in the care of the scalp has caused the loss of so much hair that their personal appearance is sadly marred. To correct this defect they resort to artificial hair.

Most ladies would resent any imputation of personal carelessness and neglect. And yet very many women permit their natural hair to become so dull, brittle and lusterless that it looks no better than the artificial.

All this is as unfortunate as it is unnecessary. Hair that is unsightly or thin may usually be attributed to the malevolent activity of the dandruff germ. This vicious germ burrows down into the hair follicle, shortly destroying its life. The hair becomes dead, loose and finally drops out.

There is a remedy sold by all druggists, the intelligent use of which will remove all traces of dandruff. It also cleanses the scalp of all accumulations and makes the hair shine with the luster of life and beauty.

That remedy is Newbro's Herpicide, "the Original Dandruff Germ Destroyer."

Newbro's Herpicide in 50c and $1.00 sizes is sold by all dealers, who guarantee it to do all that is claimed. If you are not satisfied, your money will be refunded.

Applications may be obtained at the best barber shops and hair dressing parlors.

The Herpicide Co., Dept. R., Detroit, Mich., will send a nice sample and booklet to any address upon receipt of 10c in postage or silver. Thomas F. Hennessey, Special Agent.

BABY DISFIGURED WITH SKIN TROUBLE

From Top of Head to Chest. Itched So Could Hardly Keep From Scratching. Tied Her Hands. Spread Fast. Cuticura Soap and Cuticura Ointment Cured.

R. F. D. No. 1, Port Norris, N. J. — "My baby's disease came as a pimple and the water from it spread it and made a solid sore from the top of her head to the chest. Whenever she turned her head the blood would run from her neck. She was disfigured while it lasted and she was cross and fretful night and day. It itched so I could hardly keep her from scratching. I tied her hands. It was on her three months and it still spread fast.

"I tried ——— salves of all kinds and medicine, but in vain. I saw the Cuticura Soap and Ointment advertisement, so I sent for some and they did the work great. You could see it heal and new skin made every time it was washed. Cuticura Soap and Ointment cured her in a little over three months." (Signed) Mrs. Viola Hart, Jan. 7, 1912.

When you buy a fine toilet soap think of the advantages Cuticura Soap possesses over the most expensive toilet soap ever made. In addition to being absolutely pure and refreshingly fragrant, it is delicately yet effectively medicated, giving you two soaps in one, a toilet and a skin soap at one price. Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

BUILDING HAS BEEN BRISK

Pulaski, Jan. 2.—More than $50,000 has been put out in the erection of dwelling houses in this village during the past year. During this period John W. Bonney & Sons, contractors and builders, have completed and are now occupying an extensive woodworking plant, situate in Port street, which cost upward of $5,000. In addition to this latter amount George W. Douglass head of the Pulaski Natural Gas and Oil Company, will expend upward of $5,000 in remodeling his dwelling house in Jefferson street. Additions and other improvements to houses about the village during the past twelve months, including the erection of a garage by William M. Wilder at the rear of his residence in Park street, will reach another $5,000, making a grand total of $65,000.

During the past year or two thirty or more dwelling houses have been erected within the corporate limits of this village, and yet there is a scarcity of houses. The building industry here the coming season will be, it is expected, the greatest in the history of the village, as plans are now under way for the erection of at least thirty or more dwelling houses for rental purposes.

During 1913 there were recorded in the office of Town Clerk Thomas S. Meachum 64 births, 53 deaths and 29 marriages. In 1912 the number of births recorded was 61; deaths, 59, and 37 marriages.

There was no special observance of the New Year in Pulaski. The Postoffice closed for the day at 10 o'clock this morning and the rural letter carriers had a lay-off. Most of the stores closed at noon and the Pulaski National Bank was closed all day. The New Year was ushered in by an enjoyable dancing party given in Franklin Hall under the auspices of the Order of the Eastern Star.

Sandy Creek Grange will institute officers tomorrow afternoon. County Treasurer Kandt will act as installing officer. A dinner will be served at noon in Grange Hall.

Mr. and Mrs. Benjamin F. Hutchins entertained yesterday at a big family dinner, served at their home in Main street. Among those present from out of town were Mr. and Mrs. Clayton W. Hutchins of Oswego.

UNION SERVICE

Third of Series Will Be at West Baptist Church Next Wednesday

The third of the series of union meetings, arranged by the Ministerial Association of Oswego and addressed by prominent speakers from the denominations represented, will be held in the West Baptist church on Wednesday evening, January 7, at 7:30. The speaker will be Rev. James E. Franklin, D. D., the foreign secretary of the Baptist Missionary society. Dr. Franklin will speak on "The Challenge of the Orient." He has just returned from a missionary tour of Japan, China and the Philippines. At present he is attending the great Christian Endeavor gathering in Kansas City, and will probably bring some message from that convention.

These meetings are for the public without any reference to church connections.

The first of these services was held in November at Grace church and was addressed by the Rev. Dr. John Timothy Stone of Philadelphia, and the second occurred last month at the Congregational church, when the Rev. Dr. Nehemiah Boynton of Brooklyn was the special preacher.

Church Day Tomorrow

Tomorrow will be church attendance day at the West Baptist church. A large committee has been working for several weeks to get every member of the church and congregation to promise to be at church tomorrow. The little red button that all are wearing means "I will be there." It is expected that the church will be full. This is one of the best ways for a church goer to begin the new year.

St. Mary's Building Fund

Father Hopkins announced last night that the flag would be raised tomorrow at St. Mary's, announcing that another $1000 had been added to the building fund.

"Week of Prayer" Services

The week of prayer will be observed in the Congregational church on the evenings of Monday, Tuesday, Thursday and Friday, the Wednesday evening meeting being omitted on account of the union service at the West Baptist church.

First Methodist Episcopal Church

Beginning with tomorrow evening the pastor, Rev. Jabez Stallwood, will preach a series of seven sermons on the Prodigal Son, one each Sunday evening. The subject of the first sermon for tomorrow evening will be "The Victim of an Hallucination." Everybody is welcome.

NORTH HANNIBAL

Jan. 3—The Grange will meet Saturday of this week to install officers. Dinner will be served.—The Missionary and Sunshine societies meet this week with Mrs. John Darling.

Beals; treasurer, Ellen Coe; organist, Edna Jennings. Avon Cheesbro received the boys' prize for regular attendance and Lelia Cheesbro the girls' prize. An oyster dinner was served in the town hall Tuesday instead of a Christmas tree, and was a successful affair.
