AMUSEMENTS.

"A Great Wrong." Amusement lovers will enjoy a rich treat on Monday evening in witnessing the grand spectacular melodrama of "A Great Wrong." The company is a model organization and possesses every auxiliary to ensure a perfect performance. The special scenery is magnificent and the costumes and mountings elegant. No one should miss the play. Sale of reserved seats opens at Butler's Friday evening at 7:30 o'clock.

Fritz, Our Chasin' German. This beautiful play will be presented at the Academy of Music on Thursday evening next week, by the immensely popular Fritz, Our Chasin' German. It was the same old Fritz as you know in voice and laugh as ever, that moved the audience at the Opera house, attracted to laughter and tears his great number of the town by the way of a duet of more length. The original Fritz, in which Emmet appeared here years ago, has been reconstructed and made as good as a new play, better perhaps than some new ones. Fritz has a great deal to do in the play, and the play was Emmet himself, of course, with new songs and new scenes that were seen here last season, and as tender to children and dumb brutes as his marvelous sympathy has always made him.

Justice of the Peace. Andrew J. McCardy has received the republican nomination for justice of the peace. The Ode Fellows. Oswegatchie lodge will confer the initiatory degree this evening on three candidates.

Free Musical Entertainment. The Gardner band, led by Frank Green, will give a free musical entertainment at the Mass House on this evening. Kicked by a Horse. Frank Miller of 176 West Second street, was badly injured last night by being kicked in the face by a horse. Dr. E. M. Manwaring attended.

Court of Sessions. The court of sessions will open at the court house in Palmyra on the second Monday of March, with M. L. Wright as presiding judge. Walking Match. Chas. Mills of Phoenix and Alexander Jones of Utica will walk five miles on Saturday, at Windsor Hill, Pa., on Friday evening, for a purse of \$25.

Registration. The board of registration met in the several wards on Friday (yesterday) at 9 a. m. and continued in session till 10 p. m. Friday is the last day of registration. Electors must see to it personally that they are registered. Let no republican fail in attending to this duty.

Union Meeting. The societies of Christian Endeavor in the city will hold a joint meeting to-morrow (Friday) evening in the First Presbyterian church, commencing at 7:30. Rev. H. K. Stratton will speak concerning the Christian Endeavor work, also other exercises. All interested in the work are invited.

A Stroke of Paralysis. Last night at about nine o'clock, Charles E. Parker of Massachusetts, town, accompanied by his wife, George E. Eckhart, went into the Hammond saloon, corner of East First and Bridge streets. Mr. Parker was sitting in a chair when Mr. Hammond discovered that Parker was breathing hard and apparently very ill. Dr. Wilder was sent for and found that he was suffering from a severe paralytic stroke. He was taken to Sewall's Windsor Hotel and carried forth this morning at which time there was not much change in his condition. Mr. Parker went to North Sterling and brought Mrs. William Parrell, a daughter of Mr. Parker to the city to take care of her father. Mr. Parker was formerly a resident of Scriba and lived on and occupied the farm on the "Middle Road" owned by John Murphy. He is a United States pensioner.

To-morrow is the last day of registration. A Warning to Tramps. Yesterday, John Ryan of Rochester, arrested in this city for being a vagrant tramp, was sentenced to the Onondaga county penitentiary at Syracuse for 90 days. Ryan's case comes under the new tramp law, which provides that every tramp and a resident in the county in which he is arrested may be imprisoned in the nearest penitentiary. Utica Herald.

The Trustees' Arrangement. Hennessey and Murray, the candidates for public health officers, are hoped to settle their difficulties at Liverpool in a fight to the finish. The candidates for the office of public health officer, and who were subsequently excluded from the army by General Moore for wearing a badge, has returned to Little Falls, and will make it lively for the army by holding reception meetings at Zion's colored church, assisted by her husband. Polly is a loud shouter and will largely draw from the crowd in the morning. The public hearing before the public hearing her famous. Utica Herald.

LETTERS FROM THE PEOPLE.

What the Taxpayers Say. The Taxpayers of Oswego say: Allow me to say that as we are on the eve of the 40th charter election and both political parties having named their candidates, and having adopted a very commendable issue, the object of which is for the most needed reduction of taxes, it seems to me that the following proposition should be made this year: Reduce the water works... \$10,000. Reduce the school fund... \$10,000. Reduce the public funds... \$10,000. Reduce the charity fund... \$10,000. Total \$40,000.
