DIDN'T DISCUSS APPOINTMENTS

DEPARTMENT OF FIRE AND POLICE WILL HOLD NEXT MEETING FEBRUARY 17

The Department of Fire and Police met last night but the question of appointments was not discussed. Commissioner Carroll said that he had an important engagement that he had to keep and that he would like to get away at 9:30 if possible and shortly after that hour, with the conclusion of routine business, he moved to adjourn and there was no opposition.

Some weeks ago Ralph A. Coulson, the clerk, now making his home in Syracuse, resigned but he has been continuing to act, because no one has been appointed in his place. The matter was called up last night and on motion of Mr. Carroll, Mr. Coulson was asked to continue until March 1, which he has promised to do.

In the discussion, President Scheutzel said that he doubted the wisdom of appointing a clerk to take Mr. Coulson's place, as they are uncertain what time will be legislation that will take the appointment of a clerk out of their hands and place it in the hands of others. He did not believe that it would be possible to go a clerk, under such conditions, to take Mr. Coulson's place. All of which seemed to indicate that Mr. Scheutzel is looking for a change in the appointing power of a clerk.

The action of Chief Hennessy and the supply committee in purchasing the new horses for the fire department, after they had been certified by Dr. Switzer, the veterinarian, was approved. It was also approved that old horses be auctioned at 3 o'clock next Saturday afternoon at Engine House No. 1.

The question of the purchasing of summer suitings, sixteen ounce weight, for patrolmen, came up. The last purchased a year ago cost \$5.70 per yard. The same cloth is now offered for \$4.30. No action was taken towards making a purchase.

Chief Hennessy made his monthly report, showing that the department answered 38 alarms and the ambulance 35 calls.

Chief of Police Moriarty's report showed that there were 29 arrests during the month for the following offenses: Assault, third degree, four; assault, first degree, one; public intoxication, nine; violating city ordinance, six; petit larceny, five; disorderly persons, one; vagrancy, one; violating sections 405 and 1897 of the penal code, one each.

Fines imposed, \$108; collected, \$93; imposed on convicts committed, \$15; chief's disbursements, \$17.30.

The next meeting will be held February 17.

DIAMOND MATCH CO.'S NEW PLANT

Springfield, Mass., Feb. 1.—The construction of the big plant of the Diamond Match Company, near Summer avenue, Springfield, Mass., is about completed and manufacturing operations have commenced in several departments. Printing, contrary to popular belief, is only one phase of the operations at this plant, and the product is used entirely on Diamond Match products. It is planned to form and make packages, print boxes, prepare the cards and covers for your pocket matches and fabricate this kind of handy packages, for those of the fifteen plants of the company located nearest to Springfield.

Automatic, electric motor-driven machinery is used throughout the plant, and it is understood, the printing equipment will include, besides the cutters and smaller items, at least a half-dozen Michie cylinder presses for color work, and a large battery of Kally presses. Plans in regard to this department are not yet available, not being fully developed, and it will probably be toward the end of the year when all the printing machinery contemplated is installed and in operation.

Sells a Fulton Store.

Former Supervisor A. A. Inman of this city has sold one of his grocery stores in Fulton. He will continue operation of the larger one.

SYRACUSE MAN BUYS RESIDENTIAL PROPERTY

The Corneilus Medler property, 88 East Seventh street, has been sold to George Van Koyne, Syracuse, Pa., for \$10,000. The sale was made through the real estate brokerage office of James H. Walker.

Satisfactory Packing Business

Morris & Company, packers, in their financial report for the year ending October 30, 1920, confirm what is already known regarding the poor results of the packing house industries for the past year. In that their surplus has decreased during the period \$2,900,000. Their volume of sales is quite satisfactory, compared with previous years; inventories have been priced at the market; cash in the bank is over \$4,000,000 and their quick liabilities, including their acceptances, drafts, and export shipments, are about \$20,000,000. As their quick assets amount to over \$60,000,000, the ratio is about three to one, which under present day conditions, is very satisfactory indeed. During the year they transferred \$37,000,000 from surplus to capital, increasing same from \$3,000,000 to \$40,000,000.

Fire Last Evening

There was a fire last night in a vacant dwelling house at No. 18 Singleton street. The alarm was sent in from Box 72. The building is owned by Frank E. Sayer, the grocer. The damage was estimated at \$200, insured.

MAJOR BISSELL HOME FOR FREDERICKSON BARRACKS

Major H. H. Bissell of the 63d Infantry, Fort Ontario, has returned from regimental headquarters at Madison Barracks, where he attended commencement exercises at which thirty-eight non-commissioned officers who have been attending the unit school at headquarters for the past three months received certificates of merit from Colonel Robert Alexander. The battalion garrisoning the post attended the exercises. The class contained non-coms from Fort Ontario and Plattsburgh, as well as from Madison Barracks.

RAILROAD Y. M. C. A.

A special meeting of the Ladies Auxiliary will be held Wednesday afternoon at 8 o'clock. A covered dish supper will be served at 1:30. Each member is urged to attend.

A committee of the ladies is arranging for a fine entertainment and lunch, next week Tuesday evening to which the public is invited.

Alhambra Dance Tomorrow Night

The Oswego members of Navarre (Caravan No. 31, Order of Alhambra) will hold an informal dance in the Knights of Columbus rooms tomorrow evening, February 2nd, for members of Alhambra and their friends. Bill Margolin's University Orchestra has been engaged to play and he will bring the best musical talent available in Syracuse. There will be old and new dances, so old and young are assured of the kind they like best. See Alhambra members for your tickets.

Want Site for Service Station

R. C. Vincent and F. C. Richardson of the Willard Storage Battery Company are in town today seeking a location for a local service station for the concern. The company plans to open a completely equipped, centrally located service station that will take care of automobile owners' needs in this station and the adjoining territory.

Receiving Congratulations

Mr. and Mrs. W. G. Cooper are receiving congratulations today on the birth of a son, this morning at the family home in East Fourth street.

CARD OF THANKS

Mr. and Mrs. Percy E. Rauch and family desire to convey their thanks to their dear friends and neighbors whose kindness, consideration, and sympathy have helped so greatly to alleviate their great sorrow, occasioned by the loss of their dearly beloved, Wilson.

MR. AND MRS. PERCY RAUCH AND FAMILY.

DEER IN THE WOODS HAVE WINTERED WELL

WERE NEVER MORE NUMEROUS AND SHOULD BE PLENTIFUL NEXT FALL

The Adirondack mountains will be abundantly filled with deer for next year's hunting season, it reports coming down out of the woods now may be relied upon. "The deer were never so numerous and in such excellent condition at this time of the winter as they are just now," is the unanimous expression of woodsmen and natives who have come out to the clearings and have been seen here and in foothill villages.

It is claimed that severe weather coupled with deep snow and crust during the winter will slaughter more deer than the hunters do in the fall hunting season. Reports are to the effect that there is not enough snow in the woods this winter for snow-hoing and that the deer find abundant opportunity for obtaining food and water. It has not been found necessary for them to gather in "yards" at all this year.

The deer are coming well out into the clearing just now, it is reported, particularly on the Western slope of the Adirondacks. Melvin Bailey, proprietor of the Stony Lake Camp Hotel, who recently came out for a hunt, finds tracks of several deer condition at this time of the year as provisions, reported that every morning close to his door. They come out in the clearings for food.

The deer are fairly tame during the winter, it is said, and the woodsmen are able to see how well they are wintering. The report that the indications are that the hunting will be the best next fall that it has been in the Adirondacks for years.

DRASTIC LIQUOR LAWS FOR QUEBEC

SELLING THERE WILL BE PUNISHED BY IMPRISONMENT WITHOUT A FINE

Quebec, Feb. 1.—The extent and drastic nature of the changes to be made in the control of liquor in this province under the new liquor legislation proposed by the Taschereau government are just beginning to be realized as details regarding its extent and scope are given out.

Reports announce that there will be no private wholesalers in the province, bootlegging and other illicit forms of selling will be punished by imprisonment without other option, and, in addition, there may be a "black list" containing the names of habitual or dangerous drunkards.

How will the other provinces get supplies after the Quebec liquor law is passed? The liquor they want is not concerning the government here very much, the ministers say.

There will be none exported from the Province of Quebec by the government, and there will be no wholesale firms allowed to do business within the limits of the province.

Every drop of spirituous liquor that passes through the bonded warehouses of the provinces will be the property of the government, and they will exercise complete control over its distribution.

If manufacturers wish to supply provinces other than Quebec they will have to establish their agencies elsewhere, is the effect of the bill.

With regard to the penalties to be inflicted for infringement of the law by bootleggers, moonshiners and certain sports who liquor is now sold without license it is stated that goal will be the sentence of the court without any option of a fine, but this is not authoritatively announced as yet.

Heatless Sunday

On Saturday night the heating plant at the Church of the Evangelists developed trouble, so that no services could be held Sunday except the 7:30 a. m. service which was held in the chapel. It has since been repaired and services, etc., will be as planned. On Thursday the trip around the world will take place and the dance will be in the parish hall at 9 p. m. for which the best music has been secured and many tickets sold. Wednesday being the festival of the Purification or Candlemas there will be a celebration of the Holy Eucharist at 8:30 a. m., and the annual meeting of the Altar Guild at three o'clock, which every member is expected to attend.

A REAL FLESH BUILDER

Argo-Phosphate contains phosphates such as physicians all over the world are prescribing to build up all run-down, emaciated conditions and changing thin, stemic women with tenuous tissues, sallow faced into the most beautiful, rosy-cheeked and plump, round formed women imaginable.

NOTICE—Dr. Frederick Jacobson says: Argo-Phosphate builds up all run-down conditions in a few days wonderfully.

SECRETARY BAKER REPLIES TO COL. FRENCH

U. S. ARMY OFFICER, WHO BOUGHT COURT'S AID TO KEEP HIS PLACE IN THE ARMY

Secretary of War Baker has replied to the legal proceedings instituted by Colonel John W. French, well known here, who was placed on the inactive list of the army during the reorganization process. Col. French claimed he was discriminated against and brought legal proceedings to compel the War Department to reinstate him. Secretary Baker's statement is to the effect that while Col. French was not guilty of any misconduct or neglect of duty, he failed to keep himself efficient and was rated as class D by the officers of the promotion board. The statement further states that throughout his record Col. French showed inefficiency in the performance of his duty.

THE GRANGE LEAGUE FEDERATION LOOKS FOR BIG BUSINESS

FORECAST MADE BY PRESIDENT W. L. BEAN AT THE ANNUAL MEETING OF STATE GRANGE IN UTICA TODAY—REPORTS OF OFFICERS OF THE EXCHANGE MADE

Utica, Feb. 1.—The present year will see the warehouse and office facilities of the Grange League Federation Exchange, Inc., doubled to accommodate the needs of New York State farmers. It is at present the biggest farmers' co-operative movement in the east. Within a year it will be one of the biggest in the country.

This was the forecast made here today by President W. L. Bean at the first annual meeting of the Exchange in the State Armory, in which nearly every seat was taken.

Reports of officers of the Exchange on its growth during six months of operation, the opinion of G. F. Warren of the State College of Agriculture at Ithaca, and enthusiasm of members, confirmed the statement of President Bean.

Professor Warren, known throughout the country as expert in agricultural economics, asserted that the first true concentration of the need for a medium through which all farmers could secure greater protection in buying and selling.

"It is yet in comparative infancy," he said, "but what has been accomplished in the past leads me to believe that the G. L. F. Exchange has adopted a policy which permits of infinite expansion for the benefit of agriculture."

Thousands of dollars have already been actually saved to New York State farmers, was the claim of Richard Hall, General Manager of the organization, through co-operative buying of supplies in large quantities.

Ways in which the Exchange could aid farmers, aside from the collective purchases of farm supplies, was pointed out by Mr. Hall. As an instance, he cited the way in which the State Federation of Sheep Growers' Association had been helped by the Exchange in establishing a successful state-wide wool pool and mentioned that similar service has been offered to and is likely to be accepted by the Maple Sap Producers, potato growers, beekeepers, and growers of all other kinds of commodities.

The way in which the Exchange idea is being taken up in various counties of the state was shown by E. C. Weatherly, Secretary. Already twenty-three counties are organized and many of them have established local G. L. F. Exchange warehouses. A total of thirty-two co-operatively owned warehouses have already signed contracts to buy exclusively through the G. L. F. This working together, he pointed out, was increasing the possibilities of farmers receiving service from their co-operative organizations.

The meeting will be followed tomorrow by the annual meeting of the state grants at which it is expected that more than a thousand members of the grange will pledge their vigorous support to co-operative buying and selling.

DEAN O'BRIEN HAS MANY FRIENDS HERE

GLENS FALLS PAPER PUBLISHES CONGRATULATORY LETTER TO REV. DR. E. M. STIRES

The Post-Star of Glens Falls of Friday last has a letter from Dean J. J. O'Brien, who was then the guest of Rt. Rev. Monsignor Lavelle, V. V., rector of St. Paul's Cathedral, New York, addressed to Dr. E. M. Stires, in which he calls attention to the fact that Dr. Stires' name was mentioned as one of the three candidates for the Episcopate in the New York diocese, to which Dr. Manning has since been appointed, congratulating him and expressing the hope that he might be chosen. In an equally cordial letter, Dr. Stires replies to Dean O'Brien, thanking him for his expressions of friendliness.

Dean O'Brien is an old Oswego boy, a graduate of our high school and a son of the late Mr. and Mrs. Thomas O'Brien, whose home was in West Fourth street, between Utica and Albany streets. He has been pastor of St. Mary's church, Sancy Hill, for many years. Last summer because of ill health he spent several months at Atlantic City, returning to his parsonage last November.

Father O'Brien was here a few weeks ago, calling on old friends, who were glad to see his complete restoration of health.

Enjoyable Party at Fortnightly

An enjoyable party was held last evening at the Fortnightly club with an attendance of fifty couples. Dancing was enjoyed, with an intermission at 11:30 o'clock for one of Caterer Cram's lunches, and the affair broke up at one o'clock. The party was one of the best attended in two years.

PARISH EVENTS AT ST. LOUIS' CHURCH

Young ladies of St. Louis' church will hold a reunion and banquet at St. Louis' hall tonight at 8 o'clock, under the auspices of the Sodality of the Blessed Virgin Mary.

St. Anne's Society will hold a similar reunion next Thursday evening at the same place.

Father Wilmes was notified today that the Matre Film Company of Chicago will present the picture, "The Rosary," at St. Louis' hall February 20 and 21, as a benefit for the building fund of St. Louis' church.

MISS PARSONS' RECITAL THURSDAY EVENING

Miss Edith Parsons, head of Oratory Department of Syracuse University, will give a recital Thursday evening of this week in Assembly Hall of the High school. She comes under the auspices of the Women's City Club. She will give three one-act plays. They are: "The Price of Orchids," "The Finger of God," "Neighbors." They are widely different, including character work, comedy, pathos and the dramatic. Members of the club and friends, also students, are urged to attend. A small fee will be charged.
