OSWEGO TIMES.

OSWEGO DAILY TIMES is published every afternoon, Sundays excepted, by the Oswego Publishing Company, No. 211, West First street, Oswego, N. Y. Subscription price $6 per annum in advance to city subscribers; $1.50 per quarter; 50c per month; 10c per week. Country subscribers $6 per year. Single copies 5 cents; to be had of all newsdealers in the county. Subscriptions received either by the year, month or week.

ADVERTISING RATES. Local notices 10 cents per line each insertion. Special rates made with yearly or quarterly advertisers. Rates for standing advertisements made known at the desk.

THE CONTENTS of the columns of the DAILY TIMES embrace able and honest discussions of events, all the general news, all the local news given with accuracy, fullness and freshness, full market and commercial reports and all the good things that can be gathered from the many pens employed, or gleaned from co-temporary journals. The TIMES immediately becomes indispensible in the business places and at the fireside where it is introduced.

The New Year promises to be the most interesting and important in the history of the American Republic. It will mark the completion of the First Century of our National Independence; and the ceremonies connected with the celebration of that event, will be unique and important, extending over a large portion of the year. It will be doubly distinguished in politics, first by the action of the first democratic House of Representatives that has met since the war; and second, by a Presidential Canvass whose issues will forcibly appeal to every citizen. The year 1876 will be a year in which every intelligent and active man will require a Newspaper, enterprising enough to keep him promptly and thoroughly informed on all the news and opinions of the day, and honest and independent enough to remain unmuzzled and sincere convictions of right, in the approaching political canvass. Such a newspaper will be offered to the intelligent communities of the Northern Counties of New York, in the

THE OSWEGO WEEKLY TIMES, a large eight-page journal, is published every Wednesday morning, containing the cream of the daily issues, tastefully arranged, and is the cheapest and best paper in the county. Its circulation is steadily increasing; every day adds to its great list of subscribers. As an advertising medium it is unequaled; only a limited number of advertisements admitted. Each number will contain a column of religious intelligence, agriculture, notes, a carefully selected story, poetry, etc. Our facilities for obtaining the town and county news are unequaled and no pains will be spared to make it the best paper in Northern New York. Special attention will be given the market reports, and farmers can rely upon their accuracy. Subscription price $1.50 a year; 75 cents for six months.

FOR MAILING—Single copies of the DAILY and WEEKLY can at any time be procured at the counter ready for mailing. This affords means by which friends can conveniently communicate with each other, and make those at a distance acquainted with the steady progress of Northern New York.

TO CONTRIBUTORS.—No attention is paid to anonymous communications; we must have the name and address of each writer, not necessarily for publication, but for our own security. We will gladly receive and publish news items from all parts of this or adjoining counties. Blanks furnished on application. Subscribers desiring the address of their paper changed, must always give the post office to which the paper has formerly been sent. In sending remittances be careful and write plainly name and post office to which the paper is to be sent.

MARK THESE FACTS.
The Testimony of the Whole World.
HOLLOWAY'S PILLS!
"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvellous."
"I send for another box and keep them in the house."
"Dr. Holloway has cured my headache that was chronic."
"I gave one of your Pills to my baby for cholera morbus. The dear little thing got well in a day."
"My nausea of a morning is now cured."
"Your box of Holloway's Ointment cured me of noises in the head. I rubbed some of your Ointment behind the ears, and the noises has left."
"Send me two boxes; I want one for a poor family."
"I enclose a dollar; your price is 25 cents, but the medicine to me is worth a dollar."
"Send me five boxes of your Pills."
"Let me have three boxes of your Pills by return mail, for Chills and Fever."
I have over 500 such testimonials as these, but want of space compels me to conclude.
For Cutaneous Disorders,
And all eruptions of the skin, this Ointment is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil.
HOLLOWAY'S PILLS
invariably cure the following diseases.
Disorders of the Kidneys.
In all diseases affecting these organs, whether the cause be rheumatic, gouty, calculous, or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins and regions of the kidneys, these Pills should be taken according to the directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.
For Stomachs out of Order.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity occasioned either by intemperance or improper diet. They reach the liver and redince it to a healthy action; they are wonderfully efficacious in cases of spasm—in fact they never fail in purifying all derangements of the liver or stomach.
HOLLOWAY'S PILLS are the best known in the world for the following diseases: Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularities, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Retention of Urine, Rheumatism, Scrofula or King's Evil, Sore Throats, Stone and Gravel, Tic-Douloureux, Tumors, Ulcers, Worms of all kinds, Weakness from any cause, etc.
IMPORTANT CAUTION.
None are genuine unless the signature of J. Harmon, as Agent for the United States, surrounds each box. Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection in any way of the counterfeiting the medicines or vending the same, knowing them to be spurious.
Sold at the manufactory of Professor Holloway & Co., New York, and by all respectable druggists and dealers in medicine throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.
There is considerable saving by taking the larger size.
