W. J. POTTER'S BILL

It Is Designed to Revolutionize Rural Mail Delivery System.

WOULD SAVE MONEY.

Mr. Potter's Measure Provides For Abolishing Fourth Class Offices—Will Be Sent to Congressman Chickering For Introduction In Congress.

William J. Potter carries the mails by stage between this city, Sala and intermediate points. Mr. Potter is alive to the needs of the rural free delivery system and to remedy some of the evils that he believes now exist he has prepared a bill that will be sent to Representative Charles A. Chickering for introduction in Congress. Mr. Potter calls his measure the "Potter Bill on Rural Free Delivery in New York State" and in the rough draft is as follows: "The design of this bill is that each rural free delivery route shall be an average distance of twenty miles each trip and the termini of said route shall be at salaried Postoffices. The trip to be made daily over the line or route. The carrier shall pass a Civil Service Examination and be subject to all rules and obligations as a fourth-class postmaster, thus doing away with all fourth-class Postmasters along the route. Carrier shall deliver and collect all mail of all classes and to receive all mail matter for registry and money order deposits. He shall receipt for registered matter and on arrival at the postoffice each trip shall account for the same and for money orders sold on each trip.

Salary For Carriers.

Carriers shall be paid a salary, the saving by the abolition of fourth-class offices to be applied on such salary. Lock boxes shall be at each corner or school house site and at all convenient places to accommodate residents on the cross roads. The boxes shall be constructed similar to lock boxes or drawers in a postoffice so that each person's mail shall be in a separate box and each family shall have a key to such box. The face of the box shall be covered with a storm door for protection from the elements and the back of the box shall have a receptacle sufficiently large to receive all mail to be posted. Private boxes shall be numbered and the carrier upon arrival at each box shall distribute the mail in the separate drawers herein provided for.

The carrier shall carry with him postage stamps of all denominations required to supply the route and shall be provided with a suitable covered conveyance and driver. The cross roads lock boxes shall be situated directly upon the route. All boxes shall be numbered. For instance: Route begins at Oswego and terminates at Parish. We will begin to number in the order the boxes come."

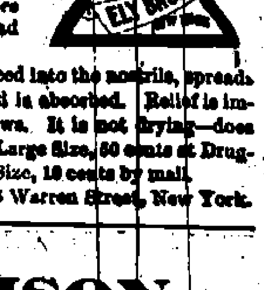
Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for *catarrhal troubles*, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions but changes them to a natural and healthy character. Ely Brothers, 56 Warren St., N. Y.

Advertise your want ads in the TIMES. Three lines three days for 25 cents.

Nasal CATARRH

In all its stages there should be cleanliness.



Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Druggists or by mail; Trial Size, 10 cents by mail.

Impressive Ceremonies Attend Unveiling of Colossal Bronze Statue at Washington To-day.

WASHINGTON, Jan. 18.—A distinguished gathering of public officials, including President McKinley and his entire cabinet, Representatives of the Senate and House of Representatives, the Judiciary of the Supreme Court and other branches of public life participated to-day in exercises attending the unveiling of the colossal bronze statue of Daniel Webster, executed by the Italian sculptor, Trentanove, and presented to the United States by Mr. Stilson Hutchins, of the city of Washington. The statue occupies a position on Scott circle, but prior to the actual unveiling the ceremonies were held at the Lafayette Opera House, where the President and his cabinet occupied seats at the front of the stage. The Marine Band occupied the orchestra.

After an eloquent prayer by Dr. Milburn, Senator Chandler, in behalf of the two branches of Congress, read Mr. Hutchins' presentation letter and added a brief but glowing tribute to the statesmanship, the oratory and the patriotism of Webster. Secretary Long then accepted the statue in behalf of the United States. His remarks were warmly applauded and then amid another outburst of applause Senator Lodge delivered the oration of the day.

After the benediction the President and most of the other distinguished guests proceeded to Scott Circle, where at 12 o'clock the statue was unveiled by Jerome Bonaparte, a great-grandson of Webster, assisted by Mrs. Hutchins and Miss Katherine Deering.

DUDLEY MILLER SUIT

On Calendar of Present Syracuse Trial Term But Is Put Over.

The case of Louise Miller as sole executrix of the estate of Dudley Miller, deceased, against Peter J. Mack and Edward F. Rice as receivers of the Syracuse Consolidated Street Railways, which was on the calendar of Justice Hiscock's Trial Term now on in Syracuse, has been put over to the February term when it will be tried. S. M. Coon is Mrs Miller's attorney. She sues for heavy damages for the death of her husband, Dudley Miller, during his life time one of Oswego's best known citizens. Mr. Miller was fatally injured on one of the defendant's cars in 1894. He was bound for Kirk Park in Syracuse to witness some horse races in which he was greatly interested. As the car was crowded he was obliged to hang on to the side step. In rounding a curve Mr. Miller was struck by a car on the next track and was fatally hurt.

WELLINGTON WITH THE BOERS.

Condemns England's War With Transvaal in Course of Anti-Expansion Speech in Senate.

WASHINGTON, Jan. 18.—In accordance with previous notice at the conclusion of routine business in the Senate to-day, Mr. Wellington (Md.) addressed the Senate on the Philippine question. In the course of his arguments against expansion Mr. Wellington declared that one of the greatest blessings that ever befel England was the loss of the American colony.

Referring to Great Britain's war with the Transvaal Mr. Wellington said: "She has not met the Caucasian race since the Crimean war, and now, when for the first time for half a century she attempts to send her army to destroy a brave and courageous, but unfortunate people, she all at once rudely awakens from the dream of her power because she finds that corruption has eaten to her very vitals, and her army which she deemed was still like that of Cromwell—invincible—has been belabored and defeated every day since it attacked the Boers. And justly so. And it might be, at no distant time, that the insidious influences which have thus debased her would entirely destroy the weighty structure of the empire she has erected."

Elevators May Do the Shoveling.

DETROIT, Jan. 18.—Eleven bids are known to have been submitted to the Lake Carriers' Association which is considering the disposal of the Buffalo grain handling contract for this year. A plan is being discussed informally among the carriers by which, if put into effect, the elevators will do the shoveling themselves, doing away entirely with the contract system. This would be agreeable to the longshoremen if carried out.

Troy Police Step Out.

TROY, Jan. 18.—This morning Superintendent Willard, Chief Detective Condon and special officers Halligan, Croker, Sherry, Butcher and Kensky tendered their resignations to Commissioner of Public Safety Coyle. They had been asked to resign some days ago. All these police officials have for years been connected with the local force and their retirement is due to the fact that politically they are not in harmony with the new city administration. No appointments have been made to fill the vacancies.

Speaking of the money question, he said he had been asked to drop that question. He believed in it; that is, in the double standard. As to dropping the money question, he said there was no man in this nation big enough to let that question fall in such a way as to break it.

Rheumatism Cured In 24 Hours.

T. J. Blackmore, of Haller & Blackmore, Pittsburgh, Pa., says: "A short time since I procured a bottle of *Mystic Cure*. It got me out of the house in 24 hours. I took to my bed with Rheumatism nine months ago and the *Mystic Cure* is the only medicine that did me any good. I had five of the best physicians in the city, but I received very little relief from them. I know the *Mystic Cure* to be what it is represented and take pleasure in recommending it to other poor sufferers." Sold by C. H. Butler and all wholesale druggists.

"Never quit certainty for hope." Never take a medicine of doubtful value instead of Hood's Sarsaparilla which is sure to do you good. 23

"Rob Peter to pay Paul." That is what they do who take stimulants for weak nerves. Hood's Sarsaparilla gives true nerve strength. 15

THE STOCK MARKET.

WALL STREET, Jan. 18.—The reduction in the Bank of England's rate of discount and the resultant strength in London were reflected to some extent at the opening here, but no enthusiasm was manifest. Gains were in all cases small fractions. Sugar spurted 1¼, but immediately reacted ½ and Third Avenue rallied 1½ from yesterday's weakness.

The market was almost stagnant; transactions were few and variations small.

Sugar pursued the down grade steadily and eventually ruled over 4 points below the highest. Other specialties fell away in sympathy on light offerings. Railroads were in the main well supported, but lost a portion of their earlier gains.

Relief In Six Hours.

Distressing Kidney and Bladder Disease relieved in six hours by "NEW GREAT SOUTH AMERICAN KIDNEY CURE." It is a great surprise on account of its exceeding promptness in relieving pain in bladder, kidneys and back in male or female. Relieves retention of water almost immediately. If you want quick relief and cure this is the remedy. Sold by C. H. Butler, Druggist, Oswego, N. Y.

"Deeds Are Fruits."

Words are but leaves." It is not what we say, but what Hood's Sarsaparilla does that tells the story. The many wonderful cures effected by this medicine are the fruits by which it should be judged. These prove it to be the great, unequalled remedy for dyspepsia, rheumatism, scrofula, salt rheum, catarrh and all other ailments due to impure or impoverished blood.

Hood's Pills are non-irritating, mild, effective. 791

WEARY OF LIFE.

Alarming Increase of Suicides Among Women.

It is well for a woman to study herself and learn how to avoid the feeling of despondency, resulting from the monotony of a life of anxiety, care and pain, which seems the destined lot of so many women.

When the nerves are strong and vigorous, and the blood rich and pure, women will not feel the burdens of household duties nor the many weaknesses so peculiar to her sex. She will be able to vigorously bear her part in life, strong, brave and happy.

Mrs. W. G. Copeland of Cortland, N. Y., wife of the former proprietor of the Messenger House, tells how Dr. A. W. Chase's Nerve and Blood Pills lifted her out of despair into health and happiness. She says:

"Were it not for Dr. A. W. Chase's Nerve and Blood Pills, I should have been a martyr to nervous disorders. My life was one of weakness and physical as well as mental misery, my mind being filled with constant forebodings of coming evil. I am happy to say that now all this is changed. A careful use of Dr. A. W. Chase's Nerve and Blood Pills has made me feel almost youthful again. The help I derived from them was wonderful in restoring me to health and in strengthening my nerves."

Dr. A. W. Chase's Nerve and Blood Pills create new rich blood and vigorous nerves. Their use will make the pinched pale faces of weak women glow with health and color, and restore the wasted nerves to a state of vigorous life and vitality. Price 50c. a box, at dealers or Dr. A. W.
