

OSWEGO'S FIGHTING UNIT HELD BIG REUNION DINNER

COMPANY D, 108TH INFANTRY, GUESTS OF COMPANY D, 3D N. Y. N. C. AT ARMOY-SPEECHES, SONGS AND MUSIC ENJOYED -PERMANENT ORGANIZATION PERFECTED

There were mighty few members of Company D, 108th Infantry in this section of the State who were not present at the first reunion dinner held in the mess hall at the Armory on Saturday evening. Not only were the members from Oswego and vicinity present but there were large delegations present from Buffalo, New York and even Dansville. Captain W. J. Doncker, who commanded the outfit on the fighting in France was present and was given an ovation. Other guests included representatives of all patriotic organizations in the city and many of the old time officers of the company, representatives of the Naval Militia, Naval Reserve, etc.

said he did not mean that this country should maintain a huge standing army in time of peace but it ought to have an organization capable of being expanded rapidly and systematically until it was large enough to handle any sudden demand. He said that the usual sacrifice of men did not result at the start of the last war because this country had time, after entering the war to bring some order out of chaos by the valiant fighting of the Allies before the men of America had to go into actual battle.

James K. Prosser, commander of Post O'Brien, G. A. R., also made a very effective speech. He likened the dinner, Saturday to the first reunion he had attended following the Civil war. The burden of his remarks was a strong plea for the building of a memorial building in this city in honor of the veterans of all of the wars so that patriotic societies could have some good place in which to meet and foster the patriotism of the future.

Other speakers were Captain F. D. Calkin, formerly in command of Company D, Major Clarence S. Martin, Major Harvey S. Albersson, Lieutenant H. H. Alexander, representing the Naval Militia; Lieutenant C. W. Linsley, representing the American Legion; Arthur Geiger for the Sons of Veterans; Past Commander Anderson of the Spanish War Veterans, and John McDonald, sergeant emeritus of Company D, and grandnephew of all the National Guardsmen in Oswego. Sergeant Veg Gallacher read a list of interesting letters from members of the company who were too far away to come back.

Following the dinner and smoker there was a meeting of the former members of Company D, 108th Infantry, in the officers parlors for the purpose of perfecting a permanent veteran organization which will include all of the members of the company who were with it during its active service in the late war. At the business meeting following the dinner a permanent organization of the veteran members of Company D, 108th Infantry, was perfected with the following officers: President, C. J. Doncker, Buffalo; vice-presidents, New York section, Lieut. R. C. Dittus Kingston; Oswego Section, Capt. E. A. Barnes; general secretary, Earl Butler, Buffalo; local secretaries, Fred Gallagher, Oswego, James Kirby, New York, and Fred Bell, Buffalo. The next meeting of the company will be a reunion held in Buffalo at a date to be announced shortly, probably in July. It is planned to hold reunions

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them. Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

twice a year, once in Oswego and once in Buffalo. The entire affair was a credit to both Company Ds, the old and the new, and it should encourage the young men of Oswego to come forward and enlist in the present company. Any organization with such a proud war record as Company D has had in the past, and such a splendid bunch of men as it has at the present time deserves present and future success. The present company is what the men now in it desire to make. It has every advantage and it is safe to predict that its record in the future will equal that of the past.

FELL THREE STORIES TO DEATH AT THE COLUMBIA MILLS PLANT

ALBERT T. BEACHAMP VICTIM OF FATAL ACCIDENT EARLY YESTERDAY - POPULAR YOUNG NATIONAL GUARDSMAN OVERREACHED AND FELL DOWN AN ELEVATOR SHAFT WHILE AT WORK

Coroner C. J. Vowinkel is today investigating the circumstances of the death of Albert T. Beachamp, twenty-one year old son of Mr. and Mrs. Albert Beachamp, of Munn street, who was instantly killed at 5:45 o'clock yesterday morning, by a fall down an elevator shaft at the plant of the Columbia Mills, Inc., Minetto. Young Beachamp, who was employed on the night shift at the mills, was about to go down an elevator from the third floor to the basement in one of the buildings, and in seeking to lower the elevator, leaned over the shaft. He lost his balance and fell to the concrete floor of the shaft, three stories below, and was instantly killed.

Workmen near the elevator heard him fall and rushed to his assistance, but when Dr. G. H. Wallace, who was summoned, reached the scene he determined that death had resulted instantly. Besides a fractured skull, examination showed that his neck and right wrist had been broken.

The body was taken to the undertaking parlors of Dain & Son, in this city, and later was removed to the family home in Munn street. The young man was born in this city, and had resided here all his life. He was a member of Company D, Third Regiment, National Guard, N. Y., of this city, and although enlisted but a few weeks ago, showed much aptitude for military matters that he was a corporal. He attended St. Louis church. Surviving are his parents, two brothers, Frederick and Victor, and three sisters, Helen, Margaret and May, all of this city. Coroner C. J. Vowinkel was in Minetto today investigating the circumstances of the accident, and announced he would hold a formal inquest tomorrow or Wednesday. He will hold an inquest into the death of Luther Sorman, killed a week ago Saturday near Mexico, when he is able to get in touch with the snow plow crew.

CITY SKATING RINK WILL BE OPENED WITHIN FEW DAYS

SUCCESS OF FIRST FEW DAYS WILL DETERMINE JUST WHAT ITS FUTURE MAY BE - GANG OF MEN NOW WORKING GETTING IT READY FOR OPENING

A municipal skating rink in Richardson Park will be open to the public after Wednesday, if weather conditions, as they are at present, continue. A gang of men will be put at work tonight and tomorrow getting everything in shape and the water for flooding purposes will be used to night. The Department of Water is still using both pumps at the lake pumping station in an effort to keep the pressure up about the city, and have got far enough ahead now so that water can be diverted for flooding the park.

Rules for the use of the rink will be made public in a day or two by the commissioner of works, and just as long as weather conditions permit the rink will be kept open for the general use of the public. A fund of \$300 appropriated by the Common Council some weeks ago is available for this purpose, and it is hoped that the rink will be a means of bringing many hundred people out of doors for exercise. Arrangements are now being made to provide some sort of accommodations for skaters to warm themselves, for the adjustment of skates, changing shoes and so on, but this will depend largely upon how the rink turns out during its first few days. Patronage and popularity will determine largely what action the city officials will take in the future towards placing accommodations for the public.

RETAIL MERCHANTS TO HOLD ANNUAL SESSION TOMORROW EVENING

CHAIRMAN GLANCY ASKS THAT THERE BE A LARGE ATTENDANCE AS MANY IMPORTANT BUSINESS MATTERS MUST BE CONSIDERED-WILL ELECT OFFICERS

The annual meeting of the Retail Merchants' Bureau of the Oswego Chamber of Commerce will be held tomorrow evening at 8 o'clock at the offices of the Chamber of Commerce in West Second street. Chairman John J. Glancy of the Bureau points out that every retail merchant who is a member of the Chamber of Commerce is eligible to membership in the bureau, which is intended to perform the specific functions desired by the merchants and retail business men and which can be handled directly and to better advantage by the subsidiary organization. Notices of the meeting tomorrow night have been sent to every member who is entitled to membership. Mr. Glancy emphasizes the point that it so happens that many retail merchants whom it is desired to have as members of the organization are not now eligible for membership, but the new chairman, after tomorrow night's meeting, will appoint a representative membership committee that will endeavor to secure the membership of all the leading retailers of the city.

It is important that all men who are members of the bureau appear tomorrow night to organize the permanent bureau by electing officers and outlining a program of activity for the coming year. There are several pressing and important matters to be considered, and the temporary officers of the organization desire that there be a full attendance.

NAVAL RESERVES URGED TO ATTEND MILITIA MEETING

MEMBERS OF RESERVE FORCE WHO JOIN MILITIA WILL BE ABLE TO PERFORM REQUIRED SERVICE WITHOUT DIFFICULTY

Local members of the Naval Reserve Force are beginning to see the logic of joining the Naval Militia and thereby being able to put in the required thirty-six drills a year without being chased out of town for a week or so each year. During the past few days the Naval Reserve members have been getting letters from the Commandant of the Third Naval District advising them of the necessity of making their drills each year and enclosing a red card on which they are asked whether they prefer service on a battleship, cruiser, destroyer, minesweeper, convoy ship, supply ship, sub chaser or land training camp. It is figured that they will make their choice and then the Navy Department will send them just where it sees fit. Announcement is also made that the members of the Naval Reserve in various localities will be organized into units for drill and mobilization purposes.

All members of the Naval Reserve are now eligible to enlistment in the State Naval Militia and already a large number of them have signed up. By joining the Naval Militia they will get all of the privileges of the State Armory, they can do their drilling with their own chums under comfortable and enjoyable conditions and they will also have a chance to make some very pleasant cruises on Lake Ontario next summer. The Naval Militia is under State control and will receive 21 of the benefit which the Naval Reserve receives from the government and beside this will get a number of other advantages provided by the State of New York.

There will be a meeting of Naval Reserve and Naval Militia men tomorrow evening at 8 o'clock and all Naval Reservists are particularly invited to attend. No obligation of any kind is involved in attending this meeting. It is simply an affair whereby the men will be given a chance to talk things over and figure out what it is best for them to do. The meeting will be held in the State Armory in the Naval Militia headquarters, second floor.

Pierce says that, on September 9 he was compelled to turn over to the trust companies property of his own and of his wife under duress and while ill.

DETERMINED SHE WOULD NOT BE FROZEN TO DEATH

Pennsylvania Woman Badly Burned While Crawling Into Fire Pot Bradford, Pa., Jan. 26.—Attempting to commit suicide by roasting to death, Mrs. Jessie Hunt, 34, crawled into a firebox at the Kendall rednet here today and was thwarted in her attempt only by prompt action of C. A. Barr, fireman on duty. Mrs. Hunt, after gaining entrance to the furnace room, crawled into a firebox and tried to pull the door shut after her. Barr, detecting an odor of burning flesh, went to investigate and found Mrs. Hunt with her head in the furnace, trying to close the door. He quickly pulled her out and extinguished the flames which had almost entirely consumed her clothing.

The woman is in a hospital, suffering from severe burns. It is said she has been confined in a sanitarium.
