FINE REVENGE.
John Shay Vents His Spite on the
Windows of a Saloon.
Last night John Shay got drunk
and went into Ulton's saloon in East
Seneca street. He was put out and
for revenge took a chair which was
on the front piazza and smashed in
the glass of the front windows. He
was locked up but was too sick to be
tried this morning.

Senatorial District Conference.
At the proposed senatorial district
conference in Watertown, Thursday
next, Jefferson county will claim the
right to ten delegates, Oswego ten
delegates, and St. Lawrence will be
conceded thirteen delegates in the
senatorial convention. This is on the
basis of one delegate to every 1,000
votes cast at the last presidential
election. St. Lawrence county dele-
gates are expected to oppose the
scheme.

Oswego Falls.

R. W. & O. R. Grand Family Ex-
cursion to Thousand Islands, July
29th.

The Grand Family Excursion to
the Thousand Islands due to leave
Oswego on the above date, via the R.
W. & O. R. will, without doubt,
be patronized by a large number of
people from this city and surround-
ing towns. The rates and special ad-
vantages offered will give people an
opportunity to spend from one to
eight days at the Thousand Islands
for less money than ever before.
Note the following: Tickets will be
good leaving Oswego on the 6:30 a.
m. or 1:30 p. m. trains Saturday,
July 29th, arriving Clayton at 10:30
or 6:00 p. m., connecting with the pa-
latial steamer "St. Lawrence" for
Alexandria Bay and all Thousand Is-
land resorts. Tickets will also in-
clude the fifty mile tour of the is-
lands, and the electric search light
trip in the evening, giving a ride of
fifty miles among the islands, pass-
ing all points of interest on the river.
By taking the morning train, passen-
gers can have the day on the river,
including the Island Ramble and re-
turn the same evening. Those stay-
ing over can also enjoy the search-
light trip. Tickets are good to re-
turn on the regular trains
up to and including Monday,
July 31st. Parties can also have
their tickets extended for an addi-
tional five days, upon payment of
one dollar to the R. W. & O. agent at
Clayton.

At the rate at which tickets will be
sold, \$2.00, it cannot be admitted
that this will be the best and cheap-
est opportunity ever offered to spend
your vacation among the Thousand
Islands. The tickets entitle you to
stop over at the Islands until Mon-
day, July 31st. For further particu-
lars see bills or inquire of nearest R.
W. & O. ticket agent.

FAILURES IN SYRACUSE.
The Failure of Bradley & Co. on
Monday is Succeeded by Others
Yesterday of Minor Consequence.
The failure of Bradley & Co. of
Syracuse, extensive manufacturers
who employed about 300 hands, was a
startling announcement in that city.
The liabilities amount to between
\$350,000 and \$375,000 and the stock-
ed plant, in nominal value, greatly
exceeds those figures, but default in
promptly meeting obligations, al-
though that be the fact, is legal in-
solventcy and pay or fail is all that
remains to the corporation short on
ready cash, although long on good
signatures when signatures are not
acceptable.

The above failure was simply the
predecessor of others that followed
yesterday. The following are re-
ported in the Standard this morning:
—A judgment upon failure to answer
has been entered against Jones & Co.,
for \$2,233.76, in favor of the G. H.
Hammond company.

—Florenz Michel, meat market
man, who failed several weeks ago,
had a judgment for \$232.50 docketed
against him by Eliza Strouse and
others.

—Bradley & Co.'s indebtedness to
Penn & Lee, is placed at \$10,000, and
to the Phoenix foundry and machine
company, \$1,200. Receiver Dunn is
busy in getting matters into shape
preparatory to starting up the factory
and completing goods in process of
manufacture.

A Slight Accident.
About nine o'clock this morning
the family carriage of Swits Condé,
met an accident at the corner of
West Bridge and First streets. The
front wheels of the carriage became
caught in the switch of the street
railroad, and the springs broke.
Robert Henry, the driver, succeeded
in holding the partially frightened
horses and prevented their running
away. One of Mr. Condé's daugh-
ters, who was in the carriage, escaped
unhurt, although badly frightened.

Grace Church.
Never before has it been necessary
in Oswego to hold a mid-week devo-
tional meeting in a church because
of an attendance too large to be ac-
commodated in the chapel. Yet that
is what will be done at Grace
church this evening, so that all may
have an opportunity to hear William
McNeill's bible reading on the char-
acter of Jacob. Business men are
especially invited, and all are wel-
come. Remember 7:45 sharp.

Railroad Appointment.
W. J. Wilgus has been appointed
assistant chief engineer of the Rome,
Watertown and Ogdensburg railway.
He is the son of F. A. Wilgus of Buf-
falo, and graduated from the high
school in the class of '83. For the
past few years he has been on the
Chicago, St. Paul and Kansas City
and Duluth and Winnipeg roads.
His headquarters will be at Water-
town.

OF INTEREST TO ATHLETES.
James Robinson, the athletic trainer
at Princeton college, Princeton, N. J.,
says:

"I have found it imperative to
have sure and simple remedies on
hand in case of cuts, bruises, strains,
sprains, colic, rheumatism, etc.
Shortly after entering upon my pro-
fession, I discovered such a remedy
in ALCOCK'S POROUS PLASTERS. I
tried other plasters, but found them
too harsh and irritating. ALCOCK'S
POROUS PLASTERS give almost instan-
taneous relief, and their strength-
ening power is remarkable. In cases of
weak back put two plasters on the
small of the back and in a short time
you will be capable of quite severe
exercise. In "sprint" and "distance"
races and jumping, the muscles or
tendons in the legs and feet some-
times weaken. This can invariably
be relieved by cutting the plaster in
narrow strips, so as to give free mo-
tion, and applying on muscles affect-
ed."

"PONEY O'HARA,"
Tanglefoot Gets Him in Trouble and
He Will Now Rusticate at Allport's
Hotel for One Hundred Days.
Thomas alias "Poney" O'Hara is a
well-known character around the sa-
loons of the city where he does odd
jobs for drinks. "Poney" can have
a good home with his brother if he
would behave himself. Last night
"Poney" got full and on going home
made things uncomfortable for his
relatives by using profane language
and throwing things about the house.
To complete the destruction of the
house he took a knife and commenced
cutting the wood work. When his
brother, Michael O'Hara, who swore
out a warrant, got to that part of the
story "Poney" became indignant and
informed him that he would cut his
head off. Recorder Bulger to pre-
vent this from happening for some
time sentenced him to the county
jail for one hundred days.

Humane Societies.
The regular monthly meeting of
the societies for the Prevention of
Cruelty to Children and Animals will
be held at the Doolittle house parlor,
Thursday evening, July 27th, at eight
o'clock.

All interested in the work are
cordially invited to be present.
Strangers in the city are welcomed
at the meetings.
