A Great Six-Reel Special featuring J. WARREN KERRIGAN

The Photoplay Sensation of the Age

At an enormous expense, I have secured this WONDERFUL PHOTOPLAY for my patrons Thursday and Friday.

600 Scenes, 6,000 feet of Sensation and Surprises

This film has been shown in New York City at 50c and \$1.50 houses.

2,000 People in the Cast

J. Warren Kerrigan as Samson

Mr. Kerrigan is the greatest pantomimic actor in the moving picture world.

A gripping, entertaining and impressive Biblical story. It is a story of the most spectacular, romantic and tragic figure of antiquity. He combined all the qualities which we have come to know as human. The story of his life is the most dramatic of any told in sacred literature.

Every man, woman and child should see this photoplay, magnificent in its production. See the city of Gaza, which had to be built from the cellar up, and the wonderful Temple of Dragon, the last scene, the destruction of which is more than wonderful. Either scene alone is worth twice the price of admission. If you miss this you miss the greatest photoplay ever shown in this city.

For the complete story read JUDGES: 13, 14, 15, 16 Chapters.

THE TAXPAYERS GET ELECTION

Council Calls for Vote on the Oak Hill Project

FIRE LIMITS EXTENDED

Residence Section in First and Third Wards to Protect Residents from Buildings Not Desired

Alderman William McCaffrey presided as chairman of the Common Council last night, in the absence of Mayor Hennessey, who is in New York on business connected with city bonds. The meeting was held in the mayor's room. The action taken by the Council at its last meeting in refusing to order a special election on the Oak Hill main extension proposition was reconsidered on motion of Alderman Hamilton and a special election was ordered to be held on June 24 to put the raising of \$4,039.21 for the extension directly up to the taxpayers. Alderman Allard opposed the election and said it would be beaten. He was supported by Alderman Carroll. Alderman McCaffrey and Kanapke spoke in favor of the proposition and said larger means would increase the pressure and give better fire protection. Mr. Allard said he wanted the residents of the section to get relief but wanted a new pump which would give relief to every high point in the entire city. Veranda permits were granted Mrs. Catherine Delisle and Leslie Cliff and a claim of \$3,000 from Francis P. Johnson for alleged injuries was referred to the claims committee and the city attorney. Richard M. Johnson and R. F. Carpenter were named Commissioners of Deeds. Alderman Allard presented a resolution, which was unanimously adopted extending the fire limits of the city north of Bridge to a line parallel between Fourth and Fifth streets on the east and Montcalm and Sixth streets on the west. This extension was designed, it is said, to prevent Dr. Hinman from carrying out his threat of erecting a woodshed on his vacant lot at Fifth and VanBuren streets. Mr. Allard also presented a resolution ordering the supply committee to purchase a pulmotor. This pulmotor, which will cost about \$150, will be placed in the custody of the police. Chief R. G. Blackburn, who understands the operation of the life saving machine, will teach each patrolman and fireman its workings. There was some discussion relative to the failure of the street railroad company to erect a waiting station at St. Paul's cemetery. The matter will be taken up with the local officials and an effort made to hasten the erection of the building.

Read "Uncle Walt" Tonight

Special attention is called to the poem by that inimitable versifier, Walt Mason, entitled "Buy at Home," which appears on the second page of tonight's Times. Uncle Walt's poems are always good, but in tonight's effort he outdoes himself, presenting in an entrancing and convincing manner, the arguments and policies of the "trade-at-home" campaign.

WILL PREPARE JURY LISTS

Town and City Officials to Meet Early in July

TAKEN OFF ASSESSMENT LIST

Qualifications for Jury Service--Many Are Exempt-- Lists Will Be in Effect Three Years

Attention is called by Court Clerk Louis A. Coulter to the fact that jury lists for the next three years must be made this year. The judiciary law provides that the lists be prepared every three years. In the towns the work is done by the supervisor, the assessors and the town clerk, and in the cities by the same officials, all the supervisors serving. The work must be commenced the first Monday of July or as soon thereafter as possible.

Under the law as it stands, any male resident between the ages of 21 and 70 years, on the assessment roll for \$250 personal or who owns \$150 real estate, or who is the husband of a woman owning property valued at \$150, may be placed on the jury list. It is required, of course, that those eligible shall be in possession of their mental faculties, not infirm or decrepit and free from all legal exceptions. In addition they must be of fair character, approved integrity and well informed. Another provision of the law is that in case of a man who has purchased property on a contract and has made improvements thereon to the value of \$150 he may be placed on the list of jurors.

A large number of officials, from the governor down to minor officers of the towns, particularly those holding judicial or police positions, are legally exempted from jury service and may not be placed on the list.

The lists must be filed by the officials of the cities and towns with the County Clerk, who, after August 1, shall cause ballots containing the name, occupation and residence of each person on the list to be made.

The ballots must be placed in the jury box, after the old list and ballots have been destroyed. From this box the jurors are to be drawn to serve at the several terms of county and supreme court. The drawings must be held either fourteen or twenty-one days prior to the commencement of the term.

Home from Honesmoon

Mr. and Mrs. F. J. Serow, who were married in Illion last week, have returned to Oswego. Mr. Serow is clerk at the office of L. W. Stone, supervisor of bridges and buildings for the New York Central.

WANT NEW WALK BUILT AT FORT

SECOND WARD RESIDENTS NAME COMMITTEE TO TAKE UP MATTER WITH THE GOVERNMENT

A number of residents of the Second Ward are exceedingly anxious to have an adequate sidewalk built along East Ninth street, on the west side of the road, just where the street skirts the grounds of Fort Ontario. The matter is to be taken up with the commandant at the Post, Colonel Buffington, Congressman Mott and Gittens, and Mayor Hennessey at once and it is hoped some favorable action can be taken.

To be able to bring the matter forcibly to the attention of the proper authorities, a special committee of residents of the ward has been named and this committee will have charge of all negotiations. The committee consists of Supervisor John H. Lempox, chairman; Alderman Daniel Finagan, Messrs. Joseph Deno, John Smith, George Minehan, John Mathews, Mr. Bushnell, Frank Henry, and James Noonan.

Fights Last Night

Ray Galloway of 39 Ontario street was convicted of assault in police court this morning and sentenced to 25 or 25 days. He struck Harold Donahue. John Williams, the former colored soldier, and Edward Larkin had a fight in East Bridge street last night and were taken into custody by Patrolman Miller. They received suspended sentences this morning but Williams was told to move from Oswego.

MASONS HAD A PLEASANT NIGHT

SALT SPRING LODGE OF SYRACUSE PUT ON THIRD DEGREE AT OSWEGO LODGE BEFORE BIG CROWD

A delegation of seventy-five members of the Salt Springs Masonic lodge of Syracuse arrived in this city last evening and paid a very pleasant visit to Oswego lodge 127, F. & A. M. The Syracuseans brought their degree team with them and proceeded to work the third degree on a full class of candidates from Oswego lodge in a manner which was highly interesting to all concerned.

The Syracuseans arrived in a special car and were taken to the Postoffice and to Geiger's Grill, where they were entertained at supper and all then proceeded to the lodge rooms. It was one of the biggest Masonic turnouts for third degree work ever seen in this city and the quarters of Oswego lodge, usually thought plenty large enough for all occasions, were well crowded last night.

Following the degree work a social session was held which was thoroughly enjoyed. According to all reports the Syracuse men had a good time here and their visit was certainly a welcome one to the members of Oswego Lodge.
