RESOLUTION AUTHORIZING THE FILING OF APPLICATIONS FOR FEDERAL AND STATE AID FOR CONSTRUCTION OF WASTEWATER TREATMENT AND COLLECTION FACILITIES UNDER THE FEDERAL WATER POLLUTION CONTROL ACT AMENDMENTS OF 1972 (PUBLIC LAW 92-500) AND UNDER NEW YORK STATE LAWS OF 1972 CHAPTER 659

WHEREAS, The Common Council of the City of Fulton, New York after thorough consideration of the various aspects of the problem and study of available data, has determined that the construction of certain works, required for the treatment of sewage, generally described as Wastewater Treatment and Collection Facilities, and identified as Project Number C-36-1009, is desirable and in the public interest, and to the end it is necessary that action preliminary to the construction of said Project be taken immediately; and

WHEREAS, Under Public Law 92-500, the United States of America has authorized the making of grants to aid in financing the cost of construction of necessary treatment works to prevent the discharge of untreated or inadequately treated sewage or other waste into any waters and for the purpose of reports plans, and specifications in connection therewith; and

WHEREAS, Chapter 659 of the Laws of 1972 of the State of New York provide financial aid for the construction of Water Quality Improvement Projects;

NOW, THEREFORE BE IT RESOLVED, By the Common Council of the City of Fulton that it hereby authorizes the filing of applications to the Federal and State Governments for financial aid for the design and construction of the facilities. Project C-36-1009; and

1. That the filing of such applications be in the form required by the United States in conformity with Public Law 92-500, and as required by the State of New York, including all understandings and assurances contained in said applications.

2. That Richard J. English, Acting City Engineer, is directed and authorized as the official representative of the City to file and to act in connection with the applications, and to provide such additional information as may be required.

3. That the City agrees that if a Federal grant or grants and State assistance for the Water Quality Improvement Project are pursuant to the Federal Water Pollution Control Act, as amended, or any other Federal Law or program, and Chapter 659 of the Laws of 1972 of the State of New York, the City will pay the remaining costs of the approved construction:

That all statements, data and supporting documents made or submitted by the city in connection with any application for Federal assistance for the proposed construction are to be deemed a part of the application for State assistance;

5. That the Common Council hereby approves the Wastewater Facilities Report, the Infiltration Inflow Analysis Report, and the Environmental Assessment Summary for the City of Fulton and hereby authorizes their use in obtaining Federal and State financial aid; and

6. That the City, in support of its application for financial aid, declares its intent to adopt an industrial cost recovery and user charge system in accordance with Federal rules and regulations in support of the facilities to be built, and

7. That the city agrees to comply with the Administrative Rules and Regulations of the New York State Department of Environmental Conservation;

8. That certified copies of this Resolution be prepared and the City hereby authorizes their use as necessary for applications for Federal and State financial assistance.

9. That this Resolution take effect immediately.
