

Fulton's Ford agency to get name change

A new name for one of Fulton's top automobile dealerships was announced this week. Walter Anderson, president and sales manager, stated that Nettle Ford will now be operated as the W. T. Anderson Ford, Lincoln Mercury Agency.

The high volume company founded nearly 20 years ago by Edward Nettle is located at West First Street in Fulton. Mr. Nettle will remain in the corporation as vice president and manager of their growing car leasing division.

Walter Anderson joined the firm five years ago after years in sales with car dealers in this area and the South. Under his management considerable renovations

were completed at the present location and Walt has reaffirmed his faith and confidence in the city with plans to construct a new facility on Route 3 just beyond Pyramid Mall in the near future.

The Anderson agency besides selling and servicing all Ford and Mercury vehicles is also the exclusive Oswego County dealer for the Lincoln car lines.
